One of my client's has been arrested this evening for 17 offences and rising. I have just got home from doing emergency identification procedures. The first round of interviews and witness viewings start in the morning.

There are further viewings in the afternoon that I will have to arrange cover for but I will have to do all the interviews. There are two teams of detectives dealing one from Enfield and one from Haringey.

I may have to push Simon's appointment back on short notice but I will only know this in the morning.
I will keep you posted.
