

I have been asking for all of Simon case bundle since around the start of 2015 and about his medical notes since March 2015 I still have not had these or a reply as to what is in his case bundle as Simon did not even have this himself for his trial. Josey, we don't know what has been done on this case that was asked for that is really bad for a person to be up in court for a case he has asked for things to be done and don't even know if they have been done and we keep asking and get no reply.

We have been asking about letters that was meant to have been wrote still don't know about any that was wrote. I mean even down to what Michael was meant to have wrote to ask for the information re Val tanner and the public order unit we still don't know what was asked for if anything.

Today we were asked things and we could not even tell the barrister what he was asking as we don't know.

Could you please update us to everything and as soon as you get the barrister notes for today can they be sent over as i know a lot of dates were given for things to be done but we were not given the list of dates.

Could you also update us about an application to deal with these ASBO conditions as soon as possible?

And can you copy Simon into everything you send please his email is re_wired@ymail.com

Regards

Lorraine and Simon
