

January 2017 inviting him for a meeting on 9<sup>th</sup> February 2017, 16<sup>th</sup> February 2017 for a meeting on 22 February 2016 and 16<sup>th</sup> March 2017 for a meeting on 22<sup>nd</sup> March 2017. These letters are exhibited at pages 63-70 of the exhibit bundle.

30. I have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

31. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since December 2016. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

32. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

33. I have made attempts to engage with the Defendant but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.
