

Defendant saw me, he ran away. The matter was referred to the police but no actions took place.

15. I requested to be moved out of the estate as that they and their 3-year-old are afraid to stay there. My wife and daughter have been left terrified, as confirmed by a written letter from my GP Dr Swedan as seen in exhibit MM3.

16. I contacted my local authority the London Borough of Waltham Forest and asked that I be rehoused somewhere else, they are trying to find me a suitable alternative temporary accommodation but the process is taking long.

17. I would therefore ask the Court to consider the application in light of the recent incidents and to commit the Defendant to an arrest.
