Dear Mr Cordell

Thank you for your email. As I stated in my earlier email, I would rather communicate in writing rather than by telephone. Please therefore can you supply by email to me details of your claim against my client. I cannot usefully say anything until I know what your claim is about. I am sorry but experience tells me that it is better to get clarity at an early stage in any claim.

I look forward to hearing from you.

Kind regards

**David Knapp**
