

DJ

We all know that on ASBO apps hearsay is allowed.

R V CORDELL

5

Counsel

Why did officer no and rely on Pc Kings Statements later than on the Crimits reported.

Officer no and involved in taking info from Pc King.

(Confesses he did it.)

He did not notice the discrepancy regarding official statements.

Have heard of Every Decibel Matters – They were advertising and I believe the D knows a member of the above company.

No evidence D is involved in running there operations.

No attempt has been made to speak to directors of company.

No reason to why you didn't /contact the company.

I think from memory have met D once @ Edmonton police station.

(At Page 16 1st paragraph – not consistent to fact that he met him on the 7/6/2014)

All notes with cad number were listed from reports not officers own words – same applies from Cads that had no input.

Has not made attempts too contact owners of premises.

Officers unable to assist courts in relation to why statements were not signed on note books profiles.

Another example of doings put in statements to blacken Mr Cordell's evidence in statement @ point 12, No convictions that of class A drugs unlike what's written in

Statements – another example of untrue cut and past.

DJ

Ill ignore because no convections of class A drugs or supplying is present on the criminal record.

Counsel

You can not assist with witness reliability of info contained, can you?

Can Intel be wrongfully inaccurate? No

Officer

On that particular re post, it appears to be right.

I did not speak to Parcell he is force @ seven boroughs.

I believe he was not included in the email, because Intel (**unreadable text**) Email sent to LDE only.

Searched (**unreadable text**) for info on Cordell's convections.

Moving on to statement on Page 30

Does PO investigating unit have more info than it is letting on?

Officer

No

Are you aware that Miss Cordell has spoken to other officers Re: Rave?

This suggests that you do not want DS Tanner to be examined on these proceedings because she has information Re knowledge of raves and them not being connected to W/D.

Spoke to Pc Tanner but not written what – spoke to (**unreadable text**) this year

You have no recorded that you emailed her but then spoken to her.

Emails have been deleted and no copies keep on record.

Mr Simon Cordell challenges all the witness statements by all officers.

Mr Simon Cordell challenges all the witness statements by all independent witness.

(Mr Simon Cordell challenges the hearsay statements compiled by Steve Elesmore)

"Independent witness to frightened due to reprisal."

At no point Cad relating to the independent witness statements provide any information relating to offences or civil matters that should lead to an ASBO application that, Mr Simon Cordell should be convicted off as he is innocent in regard's to organizing Illegal Raves or acting in a Manner likely to Cause Alarm Harm or Distress."

Mr Simon Cordell requires each witness to be called individually to give evidence at court.

Mr Simon Cordell will challenge the statements made by Steve Elesmore "Simon Cordell Is known to the police to have 28 convections a copy is available of his criminal record"

Mr Cordell feels that this is misleading due to the errors in his criminal record as police are aware.

Evidence will be provided as proof of my statement.

Mr Simon Cordell feels that the data from the PNC representing his Criminal Recorded is information not true to its facts and is misleading. Mr Simon Cordell has been checking with the courts and challenged the validity of the PNC record and has been going throw the process of have 5 cases
