

was asked to do by Enfield Council at court, so why is Enfield Council not doing what they were meant to do?

This section in the court order “*AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.*” is also something I did not agree to, and it was this point I asked to be rewritten or removed along with other sections. The reason I did not agree to it being written in the court order was due to the fact I knew I was limited in what I could do with the mental health team, and really the way the draft court order is worded by Enfield Council was not said in court that way and was I believe only written this way for Enfield Council to get out of moving my son.

There is only so much I can do as my son has rights even under the mental health act, so when I agreed I knew I would be limited in what I could do. It seems Enfield Council are just passing the buck over to anyone they can and not doing anything to help my son, and passing incorrect information over all the time to people.

There is a duty of care and so far Enfield Council has breached that in every way possible regarding my son, also the breaches in data protection is beyond anything I have ever seen when is this going to stop? By now you would have the complaint outcome letter that was submitted to the mental health team which was upheld, which should have been learned from, but it seems the sharing of information regarding my son is even worse now than when it was when I submitted the complaint to the mental health team. There has never been no consent from my son for Enfield Council to share data the way they have with the mental health team the way it has been shared.

When is Enfield Council going to help my son? not leave him to suffer the way Enfield Council has done since the end of 2014 when I started making calls about what was going on with the neighbours, from the start of 2015 I had to start sending emails to Enfield Council regarding what was going on with the neighbours because Enfield Council was just not getting back to me regarding the phone calls and still no one got back to me until 21/09/2015, it seems Enfield Council only acts when it is against my son, as I was putting in reports and complaints regarding what the
