This statement consisting of 7 page(s) each signed by me, is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

Dated the 24th day of February 2015**S gned.....****Signature Witnessed by****YA/450/15**

 This is an updated statement further to the statement of Mr Simon Cordell Dated 24th day of February.

In reference to the 12th Jan 2013 Canary Wharf

- This date in question has been add to the applicants bundle as a reference as to the Limitation Act 1980. Which states a case must be applied six months prior from the date of the incident. Please take note to Mr Simon Cordell's last statement dated the 24/02/2015; he was in fact taken to The Royal London Hospital.

In reference to the 07th April 2013, Blakey's House

07/04/2013 = In Steve Elsmore Statement dated 11/08/2014

In regards to 07/04/2013 = Please read Mr Simon Cordell's last statement dated the 24/02/2015. He states that he did not attended any premises on this date to rave, Mr Cordell did not involve him self in the organization of any illegal rave this was his friends housing estate and was on a Sunday, nor did he supply equipment on said date.

Mr Simon Cordell will State; "that he was not rude to police, but he did feel like he could not even go out for the day with some of his friends, without getting stopped and searched by members of the police.

It is also noted that the caller was very clear that they saw a flat screen TV being put into Mr Cordell's van, which is confusing to why when the police searched the van they found no TV, but did in fact find two of his off road motor bikes, which is not included in Steve Elsmore statement. The police did checks on Mr Simon Cordell's

Off Road Motor Bikes but this is also not stated, but should show's up on the seizer notice, as Mr Simon Cordell did asked the police office to take careful note of the two off road motor bikes, as due to the high value of them.

Mr Simon Cordell will state; "that he did get a bit upset when the police said they were going to seize his van, as he did have insurance in place to be able to drive the van in question, but there was an error on the MID database. Miss Cordell had been trying to help her son resolve the issue concerning his insurance policy not showing on the mid data base along side with members of their local police force and his insurance company KGM too, together they had tried to work out why Mr Simon Cordell was showing as uninsured. There was information noted as intelligence on the police National Computer stating this I had asked the police to check on there systems due to this, but they would not they just wanted to seize Mr Simon Cordell's van without checking, so he new he was being wrongfully accused at this point, as he had done nothing wrong and he did have insurance to be driving and had paid a lot of money for his insurance. He states he did not get upset in the manner that the police have said he did and that he does not mean to come across as rude to police. In this case he was just trying to explain the error on the system.

In addition, the prosecution offered no evidence in respect of the charges that were brought even though they were reliant on police witnesses. Mr Simon Cordell had been wrongfully arrested for not having insurance when he was insured to drive. He also did not cause any Anti Social Behaviour on this date in question.

There are no CAD's for this date, but yet they was meant to be, a CAD referring to the pacific details that should be relating to a person stating, that they believed a burglary was in progress and of the 999 caller stating that they had seen a person who was putting a flat screen TV into Mr Simon Cordell's van.

In reference to 24th May 2013 police station

Please take note to the picture above and that of the building on the far right being the old police station, you can not see the front vehicle entrance as it is in the far right of the picture and is the only entrance.
The alley way in the middle is were I drove my car down and stopped there is no rear entrance to the police station from the ally as there is two other running companies in-between and to the far right is another running company.

24.05.13 = Mr Simon Cordell was looking for venues to set u an illegal rave

On the 24.05.13 = Mr Simon Cordell will state; "that he did not attended any premises on this date to rave neither was he involved in the organization of any illegal raves, nor did he supplied equipment. This case was only added as a reference as the limitation Act 1980 which states that a case must be applied 6 months from the date of the incident, to which it was not. Please read my last statement dated the 24/02.2015.

It is alleged that Mr Simon Cordell was looking for venues in which illegal raves could be held, on 24th May 2013. Mr Simon Cordell dispute's this. He will state that he had been contacted by a friend called Joshua, who was living at 204 High Street Ponders End EN3 4EZ, also known as the Old Police Station at Ponders End, as he and some others were homeless, so was living and residing under section 144. as Mr Simon Cordell was driving towards 204 High Street, he drove his car down the alleyway so that he could park the vehicle he was in, He parked between two well known land marks, Which is were many people who do live in an around the surrounding areas would be able to remember as the old ponders End police station next to the Kinder Garden Centre.

Mr Cordell states he knows the area very well as this is where he has lived all of his life, so he knew about the car park at the back of the two well known landmarks, as he states you can not park on the high road, because of the double yellow lines or other restrictions. He had parked there before, he states he believes and knows that the police saw his car as he began to take a right turn to be able to drive down to were he intended to stop, he knew the police had followed him, as he had seen them pay attention to him self as he had driven past.

Mr Cordell does remember clearly that of him self locking his vehicle as the police approached him and now was standing by his side. He states that this is normal for him and over the years of his life he has become use to the police approaching him for numerous accusations, so that has also made him used to their presents, Mr Simon Cordell states that that this is so normal for him, so he got ready for the police procedures, as they said they wanted to search him and his car because the police believed that the car he was driving smelt strongly of cannabis, Mr Simon Cordell sates that he would always consented to this. He is sure of his statements of facts and that the police can not dispute this, that of the police officers that had approached him and who had stopped him as he had just got out of my car, or how would they have said his car smelt strongly of cannabis, which is the reason that the police officers gave him the conditions of search and their consent form due to a search of him self and that of his vehicle that he was driving.

Mr Simon Cordell will state; "that he had not done any thing wrong and nothing was found on his person or in his car."

Mr Simon Cordell will dispute making any comments about being able to attract people to illegal raves and illegal 3 day events, what reason would he have had to say this. Mr Simon Cordell will state to the applicant that he was a visitor to the location of interest, due to a call from a friend who asked if Mr Simon Cordell could loan him some money for food. He will also include that he did not cause any Anti Social Behaviour on the 24th May 2013.

Mr Simon Cordell does not know what Joshua said to the police, as he was never with Joshua. Mr Simon Cordell does not know why Joshua would have said to the police that he was his lawyer, or if Joshua said this at all to police. Mr Simon Cordell has tried to get hold of Joshua to make a statement for this case, but due to him being homeless, it has been very hard. As far as he is aware the building was being occupied by people to live in, he states he does not know anything Joshua said to police about know any think about a rave. Mr Simon Cordell did not manage to visit him on this day.

At no point is Mr Simon Cordell being accused of acting in an anti social manner on this date, or by any members of the public inclusive of members of the police, neither was he arrested.

"that he did drive there in his van VRM CX52JRZ, and he does accept that he had 2 speaker boxes in the van; however, he did not have a full sound system present with him self and the speaker boxes did not have any drivers in them, so he and others could not

Mr Simon Cordell states yes at the time it would have been better to keep them in his van due to the weather, but when he does intend to go for a drive that he does not feel safe any longer travelling with any sound equipment.

In Reference to the 6th 7th 8th JUNE 2014; Progress Way in relation to the Applicants first bundle.

In relation to the 06/07/8th June 2014 Mr Simon Cordell will state that he was not involved in the organization of and / or supplied equipment for and / or attended an illegal rave at an empty ware house on Progress way Enfield.

In the applicants bundle there are 93 incident numbers relating to the 6th 7th 8th June 2014 that Mr Simon Cordell is being accused of and only 34 complete cad files in the bundle, to which Mr Simon Cordell would like to apply to the applicant to receive related missing documentation to 59 cads.

A list of Cad; incident numbers including the supported relevant missing articles that should be contained within the applicants bundle has been listed and is required so that Mr Simon Cordell will be able to deafened him self from all accusation creating the bases of an ASBO application.

Around 2:00am on the 8th Mr Simon Cordell states he was just arriving at progress way and was said to have been seen by police.

On page 32 A/Insp Hamill 01566 states at 0200hrs on Sunday 8th June that he did in fact see Mr Simon Cordell for the first time, on the 3rd line from the last sentence.

CAD 1047 Name PC239YE Shinnick (pages 174 to 178) at 1:59 on 7th June 2014, was a 999 call location, which was a police office calling the Enfield Patrol Site, Call name is of a PC Shinnick, "please allow a officer to call on duty."

A/ PS Charles Miles 724ye (page 31 } explains that this date was on the 7thth June 2014 in his statement by is mistaken, this can be confirmed by any person who can do so by looking at cad 1047, to which A/Inspector Hamill 201566 states he had created cad 1047 at the first point of police intelligence leading to the police offices first point of contact in regards to progress way, as he dispatched officers to the location of the incident, from this information provided we can tell that this was in fact the 8th June 2014 at 1:59.

A/Insp Hamill then states, that the officers that he had sent, had reported back that Mr Simon Cordell and Tyrone Benjamin were present, and goes on to state that officers were not aloud access into the occupied building, due to the demand during the shift and low policing numbers, but cad incident number 1047

07th June 2014 pages 174 to 184, states them officers in attendance who could not gain entry, some how managed to see Mr Simon Cordell and his brother Tyrone Benjamin earlier in the day, to which Mr Simon Cordell will state would be incorrect as only he had arrived to visit a friend, and this was his first time at the location and for the true facts of the matter to be that of Tyrone Benjamin being in hospital.

As A/Insp Hamill 01566 states at 0200hrs on Sunday the 8th June 2014, Mr Simon Cordell did in fact arrive.

A/Insp Hamill 01566 Could not be sure of the fact of the person that he is stating was at the gate did in fact bring Mr Simon Cordell back to the gate, he does not state that she or he came back with Mr Cordell, who would have told A/ Insp Hamill that Mr Simon Cordell was in fact the person she had gone to collect and asked to assist in speaking to police as the event organiser, neither did he take any name(s) or personal details of the gate assistances. He also states that Mr Simon Cordell would not in fact speak to him, so if this was true then why would Mr Simon Cordell have approached him to speak to him as the event organiser and not speak, as for fact he was just arriving.

No police officers did in fact see Mr Simon Cordell, on the 6th 7th Jun 2014

Mr Simon Cordell will state that he did not talk to any police or council as he felt intimidated.

Mr Cordell will state that he was not given any noise abating order from the local council as confirmed on page 34 by A/Insp Hamill 01566 as he was not in fact the organiser.

(On page 33) A Insp Hamill 201566 states that he see Mr Simon Cordell, at the gates but believed that Mr Simon Cordell was coming from inside the premises, Mr Simon Cordell will state due to the large number of people at the location and due to other reasons and believes of the inspectors own that he is mistaken, Mr Simon Cordell states that he remembers clearly, that of the police approaching him, as he was walking towards the gates, when he was arriving from the Great Cambridge road, and that of the police asking him questions in regards to illegal raves. A Inspector Hamill states that he ask Mr Simon Cordell his name and that he gave him a reply, such as to the answer of "yes" verbally and then A Inspector Hamill states that he asked Mr Cordell the same question again but Mr Cordell would not reply, (chapter one of A Inspector Hamill statement page 33 the 5th line down;) he then states the 3rd time when Mr Simon Cordell was asked again, but this time by the council officers with inspector Hamill present his name, that he would not reply again, Mr Simon Cordell will state that he did not speak to any body, he just listened to what was being said to him and complied when he was asked to walk back to were he had just parked his vehicle. The police officer is incorrect in saying that Mr Cordell was the person that the gate assistant went and collected, as the event organiser, as Mr Simon Cordell was in fact approaching the occupied building and was visiting his friend. He did state this in his first statement dated (24th/02/2015.) Mr Simon Cordell will state that, as he was approaching the ally way were tops tiles is before the entrance gate for progress way as stated by A/Insp Hamill 201566 on (page 33 2nd line up from the last sentence.) Simon remembers it being dark and a lot of people being present in the ally way. Mr Simon Cordell will state that he saw, who he now knows to be A/ Insp Hamill for the first time, at around 2:00 am on the 8th June 2014 as he was arriving and had not seen a police officer on the date in question, till that point of time, when he had seen A Inspector Hamill talking to other people at the gate than him self as he was approaching, Mr Cordell will state he does remember the police trying to speak to him and that he felt that the police was accusing him of being an organiser, to which he was not, so he choose not to say any think, with out a solicitor being present.

The Police and council let Mr Cordell go and he walked across the road to the petrol station, while waiting for his friend to turn up, which he had to give a set of keys back too.

Crown Road == There was no Licensable events or private parties on the 2nd apart from Crown Road that is contained within the applicants bundle, a council freedom of information act has been provided, from local council as proof of this statement. (Exhibit)

(Cad 3151 8th June 2014 page 278) clearly states that the rave / private party was at crown road not progress way relating to cad 3151 8th June 2014 and that members of the public were using Southbury train station, to get to this location, which is across the road from Crown Road the old man building which is grid reference; X (Easting) 534960 Y (Northing) 196240

Police Officer Caller states:

Rave at location organizers Tyrone Benjamin and Simon Cordell have attended earlier there are about 200 people at the location all well natured and there is sufficient fire and safety equipment. Inspector Hamill made aware. Inspector Hamill states that he see Mr Cordell coming out of the gates page 33, to which Mr Simon Cordell will explain is a mistaken as he was just arriving on the 8th June 2014, Please take note to 200 people there is no argument to the premises being occupied and their for no breach of section 63 for trespass as this is a place of residence, neither under the new Deregulated entertainment licensing act amended to the licensing act 2003 on the 7th January 2013 no breach of licensing acts has been breached as private homes are not regulated unless a profit has been made also under the new regulations there is no licensing between the hours of 8am till 11pm. There for the said rave not being illegal as the applicant states as their was no health and safety risks , not that Mr Cordell was involved with the organisation of any event.

General

Q: Why are you deregulating?

A: Deregulation will make it easier for schools, community groups and a huge array of civil society organisations and charities to put on cultural and sporting events. The measures should also help businesses diversify their offer and access new markets.

Q: What are the proposals?

A: Currently a wide range of entertainment activities - such as plays and dance events - require a licence to take place in front of an audience. These changes will mostly end that situation. In short, most plays, dance shows and indoor sport will no longer need a licence, and it will be easier to host music events in community premises.

Details are in the tables below:

Schedule 1 Category	Position
Plays	<ul style="list-style-type: none"> ▪ Deregulated between 0800-2300 for audiences up to 500 ➤ Implemented 27 June 2013: http://www.legislation.gov.uk/uksi/2013/1578/introduction/made

In reference to witness statement progress way

Made by A/PS Charles Miles 724YE

Accusation Date: 7th June 2014

Time 02:03 hours

Progress Way EN1

A/PS Charles Miles 724YE states; "On Saturday 7th June 2014 I was on duty in full uniform, working as YE3N section Supervisor.

A/PS Charles Miles 724YE states; "At 0203Hrs approximately I attended a disused warehouse at Progress Way EN1, where an illegal rave was being held. I attended with Inspector Hamill VEIN and representatives from the Environmental Health Office at Enfield Council, approaching the gates and asking to 'speak with the organizer."

A/PS Charles Miles 724YE states; "There I spoke with a man who I recognized as Simon Cordell, from previous illegal rave events on Enfield Borough. I would describe him as a light skinned black male, and at the time he was wearing a white long sleeved T shirt and Grey bottoms, he is approximately 5;09 tall and of medium build. He refused to provide his details to the council representatives in order that a noise abatement order could be served, however he was provided with a copy. Approximately 10 minutes later we left the scene having risk assessed the incident."

"Mr Simon Cordell will state; that he was attending an occupied building that was being lived in under section 144 LASPO on the 8th at around 200 hours on the 8th June 2014 as a visitor and not on the 7th June 2014.

His intentions were to drop keys to a friend which had been left at his flat.

When Mr Cordell approached progress way a man he now knows to be a police officer from the statements provided, approached him while he was walking down a foot path leading to the occupied building. Mr Simon Cordell will state that he was accused of being an organizer to which he gave no reply and decided at this point to cross the road and call his friend to come out side to give him his keys back, to which he had, came to visit.

Mr Simon Cordell will state; that he then left and headed home and at no point did he except any paper work of any person(s) nor did he give his name or personal details to any body for his personal details to be on any official headed piece of paper, to which in the statement he is being accused of being presented to him.

It is also noted that in A/Insp Hamill 201566 statement that he did not note that a copy of the paper work had not been handed to anyone.

Which Mr Simon Cordell will state that he is sure he would have noted in his statement. As from his statement he was the main person dealing with this matter.

Mr Simon Cordell will state; that he would like to ask for any noise abatement order made on the 6th 7th 8th June 2014."

It is also noted that police statement were written on the 02/08/2014, 26 days after therefore Mr Simon Cordell is asking for a copy of the 101 book.

A/PS Charles Miles 724YE states; " that he returned to the venue approximately two hours later, he again asked to speak with the organiser however none came forward, he asked the two men on the door, who appeared to be party goers to let him in to have a look around. He walked around and there was extremely loud drum and bass music playing, with approximately 100 people dancing. Party goers observed him in Police uniform and ran away into the large open area, presumably because of drug misuse matters - there was significant evidence to suggest illegal drugs were being used such as discarded self seal bags, and empty canisters consistent with 'laughing gas' use."

A/Insp Hamill 201566 states; "As officers were not permitted access into the venue it is unknown to the extent of drug and alcohol abuse which may or may not have taken place within."

A/PS CHARLES MILES 724YE states; "At approximately 06:30Hrs we received a call to nearby Woodgrange Gardens, to reports of a male assaulted. Following an initial investigation this individual matched the description of a male earlier observed on the warehouse roof. It appeared that he had fallen off of the roof and into some bushes and his injuries were consistent with a fall from height. He was heavily under the influence of alcohol and quite probably illegal drugs. He went to North Middlesex Hospital with the London Ambulance Service."

A/Insp Hamill 201566 states; "At 05:04hrs CAD 2290 8th June police were called to a male assaulted in the street. Officers and LAS have attended the location of WoodGrange Avenue, where the male had injuries of suspected broken wrists and a bloody mouth, he initially stated that he had been attacked from behind but on investigation it transpired that this male had been one of the people seen on the roof earlier and had fallen whilst getting down."

"Mr Simon Cordell will state; That it was only ever noted by PS 92YE that 1 male was seen on the roof, but if the call came 05:04hrs CAD 2290 how is it his statement it says a call came in at 06:30Hrs this is 1 hour and 26 mins after the first call was made and A/Insp Hamill 201566 had sent officers to the location.

Mr Simon Cordell will state; That he did notice when approaching the building a Section 144 Laspo notice was in place, in turn meaning occupiers were occupying the free hold of the land sleeping in the commercial building and treating it as their home. Mr Simon Cordell will state No body could have spoken to him or his brother Tyrone Benjamin, or see Tyrone as his brother Tyrone Benjamin was involved in an ATR involving, a vehicle LRO9BMV he was knocked of his moped on the 10th April 2014 the injuries his brother occurred has changed his life for ever. On the 07/06/2014 Mr Simon Cordell's brother Tyrone Benjamin could not walk, he was Air lifted to The Royal London Hospital. Mr Simon Cordell will disagree strongly that his brother was at this event dated 06th 07th 08th June 2014 or in any case that is in question presented within this ASBO application, nor did he attend. Mr Simon Cordell will state that he arrived at progress way about 01:45am on the 8th but on his own and on arrival police spoke to him out side the front gates and he then left and went home.

Mr Simon Cordell will state; That allegations of misleading information is being held under his and his brothers name on the police national Computer, and he has been trying to get this rectified, He has provided his brothers medical notes as proof of this as well as stated many other facts and provided a copy of the Police National Computer and the errors that have tarnished his life agreed by the courts.

He would also like to make it noted that the police already have on there system the people they were prettying while he was on curfew for some of the cases within this ASBO application and that the police had contacted other people leading up to dates of the incident numbers but not Mr Simon Cordell in relation to illegal raves. The public order team has confirmed on the phone to his mother and Essex police have too. It has taken months to gather this information relating to the dates within this ASBO application so that Mr Simon Cordell can clear his name.

Witness Statement

A/Inspector Hamill 201566

Friday 6th June 2014 Progress Way

It is noted that your statement was written on the 06/08/2014 this is 62 days after the fact, Mr Simon Cordell will state that he is therefore asking for a copy of your 101 book."

Mr Simon Cordell will state; that at no point of time did he take part in any form of Anti Social behaviour, causing or likely to cause harassment, alarm or distress.

Mr Simon Cordell will state that he was did not organize any events within this ASBO application.

And at no point in time did he encourage any other person's to commit any offence causing or likely to cause harassment, alarm or distress.

Mr Simon Cordell will state that he at no point has he committed or been rightfully arrested and charged for an offence to one of a similar nature presented within this ASBO application.

A/Insp Hamill 201566 On Friday 6th June 2014 states; when on duty in full uniform working as the Duty Officer for the Borough of Enfield, was working between the hours of 2200hrs to 0700hrs.

A/Insp Hamill 201566 states; "During the early hours of the 7th June I was made aware of a potential Rave that was in progress in a discussed Industrial Building on Progress Way."

A/Insp Hamill 201566 states; "I have had a CAD created reference 10471 7June dispatched officers to the location to access numbers, crowd dynamics and gather information around times the event is likely to run until ----and also to make contact or identify the potential organiser. Officers have reported back that Tyrone Benjamin and Simon Cordell where at location and to be the believed the event organisers, there were approximately 200 people in attendance, the event was covered by security officers who had stated that they were volunteers and not licensed through SIA. Officers have spoken with staff to confirm that all fire escapes where clear, that there were sufficient fire extinguishers in place and that there were first aid kits available."

Mr Simon Cordell will state; "that this incorrect and not to be true as his brother had medical injuries stopping him from being mobile or transported. Evidence will be supplied.

Mr Simon Cordell will state that he was not in attendance to attained any rave in fact he was dropping keys to a friend as they had been left at his address when he was there last."

A/Insp Hamill 201566 states; "Police Officers have reported back:

Mr Simon Cordell will state; The police sent by inspector Hamill reported back to him and said they had spoken to Security officers at the gate of progress way, who stated that they were volunteers not security as believed by police offices. "Who made this statement?" If they were believed by police officers to be security, but had said they were volunteers, what makes the police sure beyond reasonable doubt that the people in question presented to be security acting as volunteers could have in fact off been the organisers. As Mr Simon Cordell will state that he was not the organiser neither did he hire any sound equipment nor did he take part in any form of organization on the 6th 7th 8th June 2014 or act in an Anti Social Manner. In the new skeleton argument the inspector clearly states that he now trust the security guards when officers state that they believed they were security but said they were volunteers and looked like party goers.

A/Insp Hamill 201566 states; "Police Officers have reported back: Staff was forthcoming with information, but refused to allow offices inside the venue."

Mr Simon Cordell will state; "As stated they never believed the information provide by said staff at the gates of progress way to be true, as it was believed the security was to be presenting them self's as volunteers, so why would any information provided to officers can be classed and stated as forthcoming be classed as to be true, if not believed to be true by the person writing the statement in the beginning, as said by police officers, the people at the gate also refused to allow police officers inside the venue."

A/Insp Hamill 201566 states; "Due to call demand during the shift and low policing numbers it was inappropriate to enter the premises to seize the equipment and close the event, but he deployed officers to conduct regular visits to the venue, where number at their peek where 500 but reported to be quite and peaceful."

Mr Simon Cordell will state; "that he was not involved in any event or Anti Social Behaviour on the 6th 7th 8th June2014, he only went to drop some keys off to a friend that he had a call from due to him leaving his keys at his address the last time he was there and his friend needed them back."

A/Insp Hamill 201566 states; "Local authority noise team were contacted reference T548832. The event was expected to run until 0700hrs on Saturday 7th June, with plans for the event to continue again later in the evening on the 7th June. During the course of the shift we received a total of calls from local residence complaining about the noise of the rave."

A/Insp Hamill 201566 states; "On Saturday 7th June 2014 I was again on duty in full uniform working as the Borough's Duty Officer for the hours of 2200hrs to 0700hrs, as with the previous evening I was made aware again of a Rave at an empty warehouse of Progress Way. As with the previous evening, I have posted officers to make regular visits to the venue to access numbers, crowd dynamics and general intelligence around the event.

During the course of the number numbers at the event were around 300.

At 02:00hrs I have attended the venue with A/PS Miles and two environmental officers.

The entrance to the venue was located off progress way, down the side off "Tops Tiles". The warehouse was at the bottom of this side road behind a metal gate, the gate padlock had been removed and security officers were opening the gate to allow access. As Insp Hamill and A/PS Miles and the EO have approached the gate they have closed the gate preventing us access."

Mr Simon Cordell will state; "that for Inspector Hamill: To be able to state the gate padlock had been removed." By this statement made Inspector Hamill was this close to pay this much attention to such an object as a pad lock on the gate, he then states a security officer was opening the gate to allow access. Followed by they have closed the gate, with so many people walking in and out of such numbers of 300 people in attendance Mr Simon Cordell will state that he believes the inspector see Mr Simon Cordell and took his own believes.

A/Insp Hamill 201566 states; "I have introduced myself and asked to speak with the event organisers, to which a member of staff has disappeared into the venue and returned with a male who I would describe as light skinned black male, Approximate age of 35, wearing a white long sleeved t-shirt, grey bottoms. I recognized this male as Simon Cordell.

"Inspector Hamill states; that he then introduced him self and asked if we could speak at the bottom of the' road where the noise levels would allow us to talk. We all moved to the bottom of Progress Way where I have introduced myself and explained the purpose of the visit and asked

"It's Simon isn't it?" to which he has replied "Yes" I have then further asked "Simon Cordell" to which he has indicated that it was but not verbally confirmed the answer. I have introduced the two EO's the Simon who have explained the purpose of their visit and the fact that they were going to severe a noise abatement order, they have produced the paperwork and asked the male for his name to which he has refused to provide his details, It was explained that without the name of a person from the venue the EO's are unable to serve the paperwork. As we have been unable to progress this line of action, I have made the request to Simon Cordell to turn the music down."

Mr Simon Cordell will state; "that Inspector Hamill: States he approached the gate and spoke to security, but the police are not sure if they were in fact security, police state in there statements that the people on the gate introduced themselves as volunteers. The case is the police did not know who they was they could have been security/volunteers or organisers. The police only believed Tyrone Benjamin and Simon Cordell could have been the organisers, which is not the case.

Mr Simon Cordell will state that Inspector Hamill: Asked to speak to an organiser and has said that a member of said staff disappeared into the occupied building. For a male Inspector Hamill recognised to be Simon Cordell to approach him. This could not have been the case as Mr Simon Cordell will state that he was not in the building and that he was walking up to the building when he was approach by Inspector Hamill and others.

Mr Simon Cordell will state; "that he does remember this day 08th June 2014 a friend who had stayed at his who had forgotten to take his set of keys with him, when he left his flat prior to the 06th and 07th 8th June 2014."

He will state that his friend had contacted him and told him that he need his keys back and wanted him to meet him at progress way were he had been residing and asked Mr Simon Cordell to drop the keys to him."

Mr Simon Cordell will state; "that he was given a post code and had never been to this location before. That he travelled by car and parked outside a company that he remembers to be tops tiles, as he approached he could hear music, after finding the address given to him he had to walk down a side ally leading to the front gates to be seen by a man he now know to be Inspector Hamill from the statement provided he asked him his name to which Mr Simon Cordell will state that he gave no reply to his question."

Mr Simon Cordell will state; "that as he see the police leave the people on the gate he was already chatting to him and asked Mr Simon Cordell to follow him to the road side which he did, at no time did Mr Simon Cordell talk to any police officers or any other person(s) as he felt he had not done any think wrong and new how the police was with him and he just did not want any problems."

Mr Simon Cordell will state; "that he was the police officer was with other people, who Mr Simon Cordell now know to be environmental officers due to the statements. Mr Cordell remembers feeling like he was being accused of being an organiser by the way in which the police officer was talking to him.

This is the reason he did not want to talk to the police as he new how they was with him from over many years of being harassed by the police.

Mr Simon Cordell will state; "that he just wanted to leave so he decided at this point to cross the road to the local petrol station and call his friend to come out side to give him his keys back.

Mr Simon Cordell will state; "that at no time did he speak to police and give any details and did not take any paper work from anyone, the police did not follow him across the road to the petrol station where he called his friend to come and get his keys.

Mr Simon Cordell will state; "that he did notice sound coming from said occupied building and at this point in time he would like every one to make a note that he did not hire any sound equipment or any other form of equipment or neither was he involved in the organisation of any events on dates of the 6th 7th or the 8th June 2014.

He then gave his friend their keys and headed home, at no point did Mr Simon Cordell except any paper work of any person nor did he give his name or personal details to any other body, for his personal details to be on any official piece of paper.

Mr Simon Cordell will state that he would like to ask for said paperwork Noise abatement order."

A/Insp Hamill 201566 states; "Inspector Hamill: Asked "It's Simon isn't it?" to which he replied "yes he then further asked "Simon Cordell" to which he has indicated that it was but not verbally confirmed the answer."

Mr Cordell will state; "As stated above at no point did he speak to any police office to give his name and do not under stand how he could have done so in a none verbally manner as he did not shake his head or shake the police offices hand to indicate this to be true. Police states that Mr Simon Cordell replied yes than states but would not verbally confirm the answer"

A/Insp Hamill 201566 states; "To which Mr Simon Cordell refused to provide his details."

Mr Cordell will state; "A/Insp Hamill further verifies that he did not in fact speak to him self."

A/Insp Hamill 201566 states; "It was explained that without the name of a person from the venue the EO's are unable to serve the paperwork, as we have been unable to progress this line of action."

Mr Simon Cordell will state; "The police state they see him on the 7th June 2014 walking up to the front gates in pc Shinick statements time stamped 01:59 7th June 14 and no he was in attendance with Inspector Hamill at 02:00 hours on the 8th June 2014in true fact and that he had walked back to were his car was parked on the Great Cambridge Road Enfield, Mr Cordell believes that if he had walked into the building it would have been in there notes, so their for see him leave after not gaining entry to a friends place of residence. The police also understand that this party had been going on since the 6th June 2014.

Mr Simon Cordell will state; that he did not speak to any one as said in there statement and that he did not accept any noise abatement order section 80 as he was not an organiser neither an occupier nor did he accept any money from any event on the 6th 7th 8th June 2014.

A/Insp Hamill 201566 states; "I have made the request to Simon Cordell to turn the music down."

"I had left the grounds and waited in the petrol station for my friend to come out of progress way to me next to the petrol station and get his keys, then left and went home."

A/Insp Hamill 201566 states; "During the course of the 8th of June 2014 we had approximately 40 calls complaining about the noise."

Mr Simon Cordell will state: "That he did only attended progress way on the 08th for about 30 mins max and left to go home.

A/Insp Hamill 201566 states; "During the course of the shift police had contact with several groups that had been attending at the Rave all of which were extremely intoxicated and their behaviour had clearly been using drugs which they all confirm they had used but on police contact did not have any drugs on them."

Mr Simon Cordell will state: ""At no point did he travel with any of the said people in relation to the police statements, nor did he invite them to any place to rave or attended to supply any equipment or source of entertainment for them or any drinks or drugs."

A/Insp Hamill 201566 states; as officers were not permitted access into the venue it is unknown the extent of drugs and alcohol abuse which may or may not have taken place within."

Mr Simon Cordell would like it noted that A/Insp Hamill states; "You say that no officers were allowed in the building yet police officer A/PS Charles Miles 724YE says people allowed him to enter but you have not been told nothing about this, in your reports from the police officers."

A/Insp Hamill 201566 states; A call from CAD 2410 of the 8th June received at 05:35hrs stated that drug's were openly being sold." "Mr Cordell will state: that he was not at the occupied building at this point of time, neither does he sell drugs or advise or in courage any other person to do so"

A/Insp Hamill 201566 states; "At 03:10hrs on the 8th June PS 92YE noticed a male from the roof of the adjoining building to the venue. The venue backs onto that of the police parade site which did mean as officers entered and left the premises they had a full and unobstructed view of the rear of the rave premises, officers have attended the venue, however the male had already come down of the roof. Staff were given advice as to ensuring that people do not get onto the roof again."

"I had no involvement in organising this said event on the 6th 7th 8th June 2014 and do not feel I should be held responsible and was not attending to rave at a private house party."

Mr Simon Cordell would like it noted that; "As noted the police arrived at 03:10hrs to deal with the matter of a person on a near by roof of the occupied building located in progress way, however the male had already come down from the roof.

Police state; "Staff occupying another building was notified.

"At no point would Mr Cordell have been notified as he was not the organiser on the 8th June 2014."

A/Insp Hamill 201566 states; "At 05:04hrs CAD 2290 8th June 2014 police were called to a male assaulted in the street. Officers and LAS have attended the location of Wood Grange Avenue where the male had injuries of suspected broken wrist and a bloody mouth, he initially stated that he had been attacked from behind but on investigation it transpired that this male had been one of the people seen on the roof earlier and had fallen whilst getting down."

"If checked there is a time laps in the statements made by police PS 92YE it states that he attended at 03:10hrs and noted the boy had come down from a roof in Wood Grange Avenue the rear of Progress Way and then Police spoke to staff at progress way.

But CAD number 2290 8th June at 05:04 states the same boy is in Wood Grange Avenue again and made a 999 call making a claim of assault 01:54 mins after and is believed to be the man fallen of the roof at 03:10 who was seen getting down safely and police state that they can see the roof top clearly from their police service centre.

It is also noted A/PS CHARLES MILES 724YE "statement at approximately 06:30Hrs we received a call to nearby Woodgrange Gardens, to reports of a male assaulted. Following an initial investigation this individual matched the description of a male earlier observed on the warehouse roof. It appeared that he had fallen off of the roof and into some bushes and his injuries were consistent with a fall from height. He was heavily under the influence of alcohol and quite probably illegal drugs. He went to North Middlesex Hospital with the London Ambulance Service."

These times do not match up as in A/Insp Hamill 201566 statement he says he sent someone to the attack at 05:04 CAD 2290 and in A/PS CHARLES MILES 724YE statement he said the call did not happen until 06:30Hrs.

Was it 5 or 6 hundred hours or at 1 hundred hours and if it was at 100 hours why did police leave him to go and speak to people at the gate of progress way, if his injuries were so severe he had to go to the hospital at 5 Or 6 hundred hours?

Mr Simon Cordell would states; that he believes the police already have on their systems, the person's name they were in contact with leading up to this. The public Order Unit at Scotland Yard would hold the information and also the police in Essex would have information.

Mr Simon Cordell will state; It has taken him months to gather information to the dates in this ASBO application, and he feels that the police already hold the information that he is being accused of.

Mr Simon Cordell believes if sourced by way of a information request this could prove his innocents in the allegations presented in this police statements and believes that the public order unit at Scotland Yard does in fact hold the information to all dates in question contained within this ASBO application, which would prove Mr Simon Cordell was not the organizer,"

Pc Chandler states; "Police drove down and found the rave."

Mr Simon Cordell would like to see proof that this was a rave that he organised as he states for fact that he never organised any event and was not in breach of any licensing act at the occupied place of residence, nor did he make any profit as the licensing act 2003 clearly states for it to be an illegal rave as does section 63 state that trespass must be present, neither to his knowledge has there been anyone charged with holding a rave on this date in question."

Mr Simon Cordell van is a ford transit 2002 this can not power any think above12v and a sound system is 240v each appliance, the size of Mr Simon Cordell generator is the size of a transit van and would have been noted down by a police office due to this Mr Simon Cordell exhibit a picture his generator off his mobile trailer as an (Exhibit.) Mr Simon Cordell did not hire any sound equipment, or have any involvement in the private birthday party, he will state that he just new some one, who was treating the premises as there home on the date in question and was living in the local squats in and around Enfield on the dates in the ASBO application, Mr Simon Cordell will state that he was at the premises as a guest."

Pc Chandler states; "The rave accused of it being was a 20th birthday party for one of the occupiers."

Mr Simon Cordell will state; "that this was not the person Mr Simon Cordell was there to visit."

The police talked to the persons whose private birthday party it was. Mr Simon Cordell does not agree with being accused of organizing his birthday party or any form of Anti Social Behaviour on this date in question, Mr Simon Cordell will state it was not his birthday and he did not hire out any equipment, nor was he involved in the organization of any rave.

Pc Chandler states; "The rave was organized by Simon Cordell"

Mr Simon Cordell states; "that this said rave was not set up by him and in fact was a private birthday party as police offices state them self's and their for could not be an illegal rave.

Mr Simon Cordell will state; "that he has never been charged for the organization of this said rave and believes that if this had been a correct statement that he would have been arrested.

Mr Simon Cordell will state; "that this date in question was not his birthday or a party he organised and that he was just merely invited due to knowing someone who was living at the premises. Mr Simon Cordell will state that he is not homeless and that he does in fact live in his own council flat."

Mr Simon Cordell will state; "that at no point did he in fact cause any actions that was likely to cause Alarm Harm or Distress."

Pc Chandler states; "that this was connected to another rave on Alma Road."

any place people have lived as he keeps his private life to him self and only in exceptional circumstances offer official governing body(s) of relevance towards them issues, that may be of concern contained within their departments. Mr Simon Cordell will state that he has checked face book and applied to Enfield local council to be told no rave has happened on Alma Road and asks please can you supply evidence supporting your claims stating connected to another rave along Alma Road.

Mr Simon Cordell will state; “that he was not involved in any said rave and has never been to a party on Alma Road.”

Mr Simon Cordell will state; “that he does in fact drive down Alma Road a fair amount due to his Nan Once living just off there before her recent departure and her living two roads away.”

Mr Simon Cordell will state; “that that he does also travel down Alma Road to get between his flat and his mothers address. The only event on Alma Road involving the metropolitan police, that Mr Simon Cordell remembers was when he was pulled over on Thursday 24th 07 2014, in his car index MA57 LDY.”

Mr Simon Cordell will state; “that at no point was he Anti Social towards the police that pulled him, or he would have been arrested for a section 5 or of a similar offence and he surely would not have walked away, with out even a ticket. He will states that he did in fact shake the police officers hands as he left after being pulled over on the 24th 07 2014.”

Thursday 24th July 2014, At around 16.25 hours: Alma Road:

Mr Simon Cordell will state; that he was driving index MA57LDY as he stated down Alma Road and this is a road that he travels down regally.

Mr Simon Cordell will state that he uses this road to travel between his mother’s house and his own flat, as it is one of the only routes of access between both flat and house, and it is also the fastest route to take. Mr Simon Cordell will state that this Nan also lived just off Alma Road before her resent death.

On travelling from his mothers house on Thursday 24th July 2014 from seeing his Nan and mother due to his Nan’s illness he was going home to his flat and used Alma Road as a route to travel as he always does do so.

Mr Simon Cordell will state that he noticed an unmarked police car, as it was indicating to take a right turn the opposite way from which he was travelling.

The reason he new this to be an unmarked police car was because he new the police Officer’s who was driving from seeing him on active duty within the local area.

As he drove past it changed its indication to the way he had been heading, which was a left direction.

The unmarked police car continued to follow him in turn putting on the blue lights in there vehicle, he pulled over to the left had side of the road opposite the BMW repair centre along Alma Road, on the left hand side of the pavement leading to the back entrance of Durant’s park.

A male office got out of the passenger side and approached Mr Simon Cordell drivers door, he un done his car window to a jar asking why he had been pulled over to which the police office replied he was not sure and said his college had instructed him to do so. He then went back to his police car and then reproached his car window with his college the driver of the undercover police car.

Mr Simon Cordell will state; “that he was asked again why he had been pulled over to the reply of the driver of the police car pulling out his police truncheon forcing him to get out of his car or if he declined his window will be smashed.

Mr Simon Cordell will states; “that he got out of his car as he did not have any think to hide, neither had he committed any traffic or criminal offence, nor was he wanted.

The reason given to Mr Simon Cordell for being stopped was that such of an accusation stating that he had been driving to close to the car in front of him. This car did not stop nor was it pulled over by police. Mr Simon Cordell will then state that he was then accused of having drugs; he was searched and so was his vehicle and nothing was found.

Mr Simon Cordell will state; “that he was asked by police what he had been up to and that he told them that he was setting up his catalogue that he and his friend had been building. That is why Mr Simon Cordell’s website was well underway to being completed, and he was trying to establish positive effects within his business in today’s society, within the business industry. This was a Thursday at 16:25.

Once the police had checked every think that they had needed to, everybody parted and shock each others hands and went on then, Mr Simon Cordell will state that he made his way home.

Mr Simon Cordell will state; “that he can not understand why the police officers have said that he was driving in this manner as this would have been classed as dangers driving, and he would have been punished accordingly.

Mr Simon Cordell will state; “that there is no way that some one can drive 1inch” from the car in front, off each others cars bumpers; this would have been clearly in possible. If the male’s car in front had been stopped or went to the police stating that, Mr Simon Cordell had been doing this action, would have be taken against Mr Simon Cordell for YR then surely the police would have taken the persons details in there 101 Book of reports.

Mill Marsh Lane 10th 08 2014

It is said that on the 10.08.14 Mr Simon Cordell was involved in the organization of and / or supplied equipment for and / or attended an illegal rave at an empty ware house on Mill Marsh Lane and that Mr Simon Cordell further actively sought to encourage a large group of people to breach the peace.”

Officer Aaron King States; “When asked about permission to be there he stated friends were squatting on the land and they had said he could stay.

Mr Simon Cordell will state; “This is true.”

Officer Aaron King States; "I explained to Mr. Cordell that I needed to come onto the site to see what was going on as for all I knew he could be damaging it or stealing from it, eventually after promising I would not remove anyone squatting and only myself and Pc Ames would come in, Mr. Cordell agreed that we could come in.

Mr Simon Cordell will state; "that he did get involved and speak to the police as they new him by name and had already chosen to involve him.

Officer Aaron King States; "Near to the gate was a silver Ford Focus index MA57LDY which I knew was Mr. Cordell's, -The boot was open and I noticed it contained three large thin industrial gas bottles. From experience I knew this was likely to contain nitrous oxide which is currently used on the rave scene as a legal high. As we passed the car Mr. Cordell quickly lowered the boot. I queried Mr. Cordell about the gas and pointed out that it was on the news earlier how Nitrous oxide was dangerous and Mr. Cordell stated that the Government would probably ban it soon like everything else."

Mr Simon Cordell will state; "that he does remember talking to the police in regards too Nitrous Oxide but at no point did he cause any Anti Social Behaviour or was he breaking the Law."

Officer Aaron King States: "Mr Cordell was polite and showed us around the site which appeared to be a large concreted area that was completely open to the air."

Mr Simon Cordell will state; "that this location was being occupied under section 144 and also has self contained warehouse on it, evidence supplied in case bundles this is not open to air land."

Officer Aaron King States; "There was a large sound system to the rear which was amplified though I could not see any power source."

Mr Simon Cordell will state; "that this proves the fact that music could not have been made by any one spoken to by police."

Officer Aaron King States: "There were a number of people wearing yellow hi-vis jackets who Mr. Cordell stated were first aiders and there was a pallet of water near to the sound system as well as a couple of tents closer to the gates."

Mr Simon Cordell will states; "that a female who had just past her first aid test, who was an occupier of the land who was present, wearing a yellow hi vest jacket as it was cold and a load of yellow hi - vest jackets had been donated and he does remember everybody present talking about her doing so."

Officer Aaron King States: "I could see no obvious Toilet facilities nor shelter from what had been forecast as a stormy night. In Side the venue mostly just stood around in small groups were about 30 people, mostly teenagers."

Mr Simon Cordell will state; "that no police officer's walked into the part of the building being occupied while he was present and that he remembers running water and toilets."

Officer Aaron King States; "Mr Cordell stated he was an entrepreneur and was awaiting licenses from the council so that he would soon be legitimate."

Mr Simon Cordell will state; "that he was and still does intended to create a festival if this ASBO case stops darkening his name in turn stopping him from gaining a personal licence as well as permission to hold events."

Officer Aaron King States; "When I explained all the "ingredients" for a rave were present Mr. Cordell began to try and argue his point that it was not a rave and that it was a private party. I spoke at length with Mr. Cordell explaining the legal situation and how by definition this was a rave and that ultimately there were too few people present at the time to stop police and so on this occasion I could act and close the rave.

Mr Simon Cordell will state; that at no point of time did he take part in any form of Anti Social behaviour, nor did he organize the private birthday party or hire any equipment or was he attending a rave on the 9th June 2014 in regards to the allegations presented within the ASBO application, as he states he did attended a friends private birthday dinner party as a guest and no money was to be charge, as he did not pay him self."

Officer Aaron King States; "Whilst on an industrial estate it was my opinion that such was the proximity to local housing and my knowledge of the volume music is played and the duration it is played for, often throughout the weekend that a rave would constitute serious disruption."

Mr Simon Cordell will state; "that Google Earth shows the closest house to Mill Marsh Lane the premises in question, to be one mile from the closest house." (Exhibit)

Officer Aaron King States: "Mr. Cordell was clearly not happy but did not want his equipment seized so agreed to start packing up the sound equipment."

Mr Simon Cordell will state; "that as noted by officers and officer Aaron King Mr Cordell was present in a ford focus and with three empty welding cylinders, so he could not have been carrying any sound equipment as this would not have fitted into his vehicle."

Officer Aaron King States; "Whilst talking with Mr. Cordell there were small groups of teenagers arriving at the site and entering via a break in the fence, (the gates still being shut at this time). I got Ps Ames to get units to us to prevent further people trespassing on the land and to discourage people from attending the location and exited the venue to a wait.

Mr Simon Cordell will state; "that he should not be accountable for other people(s) actions that he took no part in a negative manner, he was not a trespasser and was a visitor invited to visit his friends who was living under section 144 lasbo. For people to further be trespassing some one would have had to be arrested for trespass as it was a commercial dwelling, who is this person."

Officer Aaron King States; “Mr. Simon Cordell's exited with the sound equipment. Whilst waiting I radioed for the on-call Superintendent so I could get the various Rave legislation approved so that I could seize the sound equipment and enforce a rave cordon on Millmarsh Lane to prevent people entering.”

Mr Simon Cordell will state; “that Inspector Aaron has been told this third party and he knows that he has stated the true facts in his statement's of truth, and that Mr Simon Cordell was present in a car and would not have been able to carry such large sound equipment.

Officer Aaron King States; “Whilst stood by the venue a number of people began leaving, most were laughing but the odd one was blaming police for stopping the event. Suddenly there were a huge number of mainly teenagers walking towards me from the direction of Mollison Avenue. Apparently this group had all arrived together from the nearby railway station. Straight away some of this group headed straight towards us saying they were going to storm the place. I had been joined by a few team officers and we advised them that the rave had been closed down and they would not be allowed to enter. There was some verbal confrontation but the large group which was up to 100 strong moved off round the corner with some overheard saying they would break in round the corner.

Mr Simon Cordell will state; “that at no point did he take part in any one else's Anti Social Behaviour and he did not cause Anti social Behaviour.

Officer Aaron King States; “As they began to move off Mr. Cordell stood by the break in the fence and shouted words to the effect of, "Come on, there is more of you". And he quickly went up to Mr Cordell and told him to stop or he would arrest him to prevent a breach of the peace. At this Mr Cordell went back and stayed away.

Mr Simon Cordell will state; “that at no point of time would he say this and he would never in danger another person's life in such a manner. Mr Simon Cordell will state that he would never encourage activities that would lead to incitement of a riot, and as there was more than 12 people present he know if this statement was true he would have been arrested under offences contrary to section's 5, 4A, 4, of the Criminal Justice Act 1967 and or section 91.”

Officer Aaron King States; “The large group did indeed try to get into adjoining premises that they thought led to the rave venue but were stopped by officers and moved off back into Millmarsh lane, although one officer Pc Wale was injured during a struggle. T requested the attendance of as many units as possible including dogs and TSG as the group were becoming more hostile towards officers despite there being no music now and being informed of the closure. A short while later officers I had positioned at the junction radioed that there was now an even bigger crowd advancing on them. I arrived at the junction to see a very large number of people, now up to 200 walking with purpose towards officers stood in the road. Suddenly objects began to get thrown from the crowd towards police. I saw traffic cones; cone lights, bottles and stones begin to land near Officers so that they had to quickly move out of the way. I again heard phrases similar to "storm them". Fearing imminent violence I drew and extended my baton as did my colleagues. I could hear shouts of "get back" but the crowd continued to throw items, some of which were landing on cars that had been temporarily stopped due to the group. We had been joined by two dog units who took the lead in dispersing the crowd. At this point there were two arrests to my left and along with the dogs this seemed to make the crowd withdraw. I told my officers and the dogs not to follow the crowd as they were now by the train station with nowhere to go as the barriers were down. There was a tense stand off for some time but the group eventually got onto trains and left the area.”

Officer Aaron King states; “I could hear shouts”

Mr Simon Cordell will state; “that he was not the person shouting or causing any Anti Social Behaviour neither did he take part in the organisation of the private birthday party.”

Officer Aaron King States; “I was informed by another unit that Mr Cordell had also left with his equipment.”

Mr Simon Cordell will state; “that this proves police were told third party, but all ready new Mr Simon Cordell was in his car that was full because he was carrying cylinder bottles in accordance to the law of the carriage of dangers goods cdg.

Officer Aaron King States; “I tasked arriving TSG with local reassurance patrols but shortly after they started I was advised that most of the group were wandering around near to Ponders End. I tasked TSG with following this group and was informed by their Inspector that their unmarked unit had overheard talk that the rave was now going to be South West of the original location.

Mr Simon Cordell will state; “that he was not involved in the organisation of any illegal rave or when he was arrested was he given the right to an interview or to speak to a solicitor neither was he charged for any offence or given a public warning.” I was aware that TSG subsequently saw Simon Cordell by the Crown lane Industrial Estate where he has held a rave before and had stopped the group from forcibly breaking into this location.

Mr Simon Cordell will state; “that this is two occupied building of 6 within a 2 mile radius, that were all being occupied in Enfield, within the same Local Borough that he has lived in a resided in since his Birth, and he does not think that it is right for police to say who he can and cant have as friends or as associates.
