

Are you aware that Miss Cordell has spoken to other officers Re: Rave?  
This suggests that you do not want DS Tanner to be examined on these proceedings because she has information Re knowledge of raves and them not being connected to W/D.  
Spoke to Pc Tanner but not written what – spoke to (**unreadable text**) this year  
You have no recorded that you emailed her but then spoken to her.  
Emails have been deleted and no copies keep on record.
