

This has led The Appellant health, to being effected in a negative manner. He was already ill before this case started due to other allegations made by members of the police, and what the police have done over many years, not only to The Appellant but his whole family, there has been many complaints put into the police, due to the way they treated and intimidate him and his family over many years, there is only so much a person can take and The Appellant has taken so much over the past 20 years from the police. He is not coping any longer and he thinks the police wanted this, they knew he had hopes with what he wanted to do with his life and the way the police could hurt him was by taking his dreams away, of ever doing anything that he had dreamed of doing.

The Appellant will state that he has attempted to engage in legitimate business activities and he has been spurned at all attempts by the Police.

The Appellant has designed a business plan, created a website, researched and developed a proposal for an open air licensed festival.

The Appellant feels that there is so many irregularities within the case bundle that this should be invested and feels without this being done he will not stand a fair trial.
