Dear Ms Cordell,

The meeting is at 2pm and not 12:00. It was Mr Cordell himself that requested for the meeting and he offered to come to the Civic Centre. The meeting will be held in council offices, however if there are any health reasons why Mr Cordell is unable to attend council offices then you will need to provide us with a doctor's letter stating what the health issues are.

Alternatively, Mr Cordell can respond to the allegations made against him in writing if he does not wish to meet with us in council offices to discuss them.

Kind Regards

Dear Lemmy Nwabuisi

I am writing this email as I have just spoken to my son Simon Cordell and I believe a meeting has been set for the 26/07/2017 at 12:00 at your office. We would still like to have the meeting but could the location be changed to my home 23 Byron Terrace N9 7DG. I think it would be too much for my son to come to the office.

If you could get back to me I would be grateful.

Regards

Lorraine

Dear Ms Cordell,

Please find attached copy of a Notice of Seeking Possession that was posted through Mr Cordell's letterbox this afternoon at 4.05pm. The notice is served as a result of reports of anti-social behaviour made against Mr Cordell by some of his neighbours and Enfield Council members of staff.

We will advise Mr Cordell to seek independent legal advice from a solicitor or the Citizens Advice Bureau in respect of this notice.

Kind Regards

Dear Lemmy Nwabuisi,

I am sorry for the short notice but we will not be able to attend the council meeting tomorrow 26/07/2017 at 14:00 hours the reason is we are indexing all the dates in your possession order, this is taking time due to there being mostly no times and some there is no dates just a month listed and there is so much to go over there is hours and hours of information we need to go over. There is also a great deal of emails that have to be printed off and other information.

I wonder if it will be possible for you to get some information as to the days that are missing and times. I believe a person putting in complaints would at least know what sort of time of day this happened and what day.

I would like to have everything in order and indexed and easy to go over so, as much detail as possible would be great. This will save a great deal of time for us and you.

I would like to have everything in order and easy to go over so, as much detail as possible would be great.

Please see the list of dates below and the information needed.

**Dates of Breaches:**

**6th July 2016:**

Would it please be possible to get a time frame for this, also on what date and time it was reported to Enfield council and log of it being entered into the database?

**July 2016:**

Would it please be possible to get a date and time frame for this, also on what date and time it was reported to Enfield council and log of it being entered into the database?

I believe if this really did happened and the person was left with no electric to there flat they would have had to call an electrical contractor to fix this so should have the information regarding this. I do not think they would leave themselves with no electricity to there flat so would have tried to sort this right away. So should have the date and time frame for this and electrical contractor details.

I do not believe it is right to blame someone when there is no proof that person has done anything wrong which he has not. The code for the main door has been the same for over 15 years and due to the time the code being used by the tenants at the block to go in the numbers have faded so anyone can see the numbers to get the code for the main door, this has been done many times there have been people smoking in the block and taking drugs who does not live there in the main section of the communal area of the block. There has even been items taken from the block even 111 had there charismas tree taken.

At this point of time I wish to say Mr Cordell had nothing to do with this and has never damaged any lock to a cupboard or removed a fuse box.

**6th August 2016:**

Would it please be possible to get a time frame for this, also on what date and time it was reported to Enfield council and log of it being entered into the database?

**September 2016:**

Would it please be possible to get a date and time frame for this, also on what date and time it was reported to Enfield council and log of it being entered into the database?

**27th September 2016:**

Would it please be possible to get a time frame for this there seems to be 2 times on this date so if possible time frames for both please, also on what date and time it was reported to the Enfield council and log of it being entered into the database?

**28th September 2016:**

Would it please be possible to get a time frame for this, also on what date and time it was reported to the Enfield council and log of it being entered into the database?

**4th October 2016:**

Would it please be possible to get a time frame for this its seems there is more then one time frame, also on what date and time it was reported to the Enfield council and log of it being entered into the database?

**22nd November 2016:**

Would it please be possible to get a time frame for this, also on what date and time it was reported to the Enfield council and log of it being entered into the database?

I believe that Enfield council records telephone calls, I have asked repeatedly for all data the council hold including phone calls which I have still not been given, could I therefore have the recorded telephone call.

**8th December 2016:**

Would it please be possible to get a time frame for this, also on what date and time it was reported to the Enfield council and log of it being entered into the database?

**11th December 2016:**

Would it please be possible to get a time frame for this, also on what date and time it was reported to the Enfield council and log of it being entered into the database?

**14th December 2016:**

Would it please be possible to get a time frame for this, also on what date and time it was reported to the Enfield council and log of it being entered into the database?
