Hello i hope all is well for you, i am interested in a trial version of your software ps10 as i would like to be able to test it, so to be able to provide the best of quality prints on media such as canvas and high quality paper this is to be inclusive of adhesive vinyl, this is for car wrapping and such activity's.

I am soon to be a starting company but am not yet, in the printing industry that is to say. I have obtained two printers fully re serviced there makes and models are canon w8400 d and a canon w8400 pg i am also questioning weather you provide a discount with the ps10 software when purchased for educational purposes and if so what would the price be.

Kind regards
Mr Simon Cordell
