

It was also noted while we had been waiting outside the Court that the bundles we had been working from was the very first set of the application bundles and since that time everything had been updated, without us being informed, this included more statements from the police officer in charge of the case, there were lots of documents missing from within the first bundle due to the update, so until he was given the updated bundles, the Appellant had never seen them additional documents.

It was stated by the respondent they had sent new bundles to the acting solicitors Michael Carroll and co three times since the being of January 2016, we had never been given a set of new bundles since this case had started in 2014, we had never been told about new bundles been sent and never given a new copy of any bundle. This meant that bundle we had would have had all wrong page numbers and been paginated totally different from the bundles that were being used by the prosecution barrister and Courts.

When we were in Court we did say this to the Judge about the bundles, the Judge ordered the clerk of the Court to contact Michael Carroll and Co solicitors and order the solicitors to bring the bundles to Court. the solicitors informed the clerk that the bundles were at Nexus Chambers, the Judge was shocked that the solicitors did not have a copy of the bundles at their office. The Appellant's uncle who was also at Court said to the Judge he was willing to go to Nexus Chambers and pick the bundles up.
