All that were put in

for Enfield Council to address this would include all comments made on any such

report such

as I have removed all my piping for my heating system.

All my housing benefit

and anything to do with my rent account and council

Tax.

Any complaints that

have been put in about me this would include any neighbours or police or any

other body

that Enfield Council has received about me, I do understand that some sections names would need to have

redaction added for names and addresses but

the date and body of the complaint should be kept. and if it a governing body

such as the police names or IDs should not need redaction.

If Enfield Council has

any data I want this subject access request to cover this data and if any data

is going to

be with held I would like to know this and the reason why it is being with held.

As for dates this

request would go back as far as possible with any data Enfield Council holds

within all

departments being released.

If you could get back

to me about the ID I would be grateful and get this emailed across to you so

that this can

be dealt with.
