not the best option. And I wont have access to my main computer till most likely Monday as work is still ongoing. I do however feel that all the data has not been supplied that I have asked for, this was the same in March of 2016 I knew then we did not get all the data we asked for and an email was wrote in regards to this but no one got back to me. Also in the data you have sent there is hardly any dates or times, that complaints were put in why does Enfield Councils system not include dates and times information was recorded? There is no call data. No meetings data that government body's had meetings regarding Mr Cordell, the list goes on. I asked for all data that Enfield council holds, so all data should have been included and all audio call data and police data and meetings held and any other information that Enfield Council holds in regards to Mr Cordell. All police data and any letters that have been sent from police or to police. You seem to have asked for Mr Cordell health records who was this asked from and who gave the data? There seems to be a long list of information that is missing both from the request in March 2016 and the request that was submitted on the 24/11/2016. Can this please be looked into and if you are withholding any data for any reason could you please let me know this and what data it is and why you are withholding it.
