

that each ten of these are in accurately the same place but out of the ten different ones, ten different cad numbers that he created to set me up one of them they forgot to block his name out and it says inspector Hamill calling on duty now he made that and lets say one of the calls he made that at 1;59 and he was at grid number so, and so, now if you look at the other cad papers two minute's before that accurately the same grid reference number another call was made from that actually same place so basically he made a phone call put the phone down two minutes latter he made another phone call to 999 of his mobile unless he, some one body was standing on his toes and made this other phone call and did not speak to him the evidence that I have is over whelming to the true facts to what really happened hum the time can not go backwards and trespass has to be proved in side of a building and under the licensing act when you are inside of a building then it should be proved that a communal building is being run none of these police officers went to none of the building owners but I gave them my cv of all the good work that I had been doing in the community lock to lock festival kids with celerpulsie, Enfield the list is endless I was the manager of my community hall and they went to every one of these places rather than go to a building owner and follow the true lines of investigation and they darkened all of my contracts and my work now I can not get no work with these people again and I am sitting her upset that there is not even a building owner in side of the whole application
