

(3) Do not make any application and take your chances - this is not advised as you will be arrested for breaching your bail and there is a high risk of remand to prison until the conclusion of your case.

(4) Discuss the matter with Omar Lawrence beforehand so that he is aware and he can confirm this in the email to the court.

The risk with this is that he may use you for this festival but may seek an alternative resource next year.

(5) The final option of course is not to make the application and attend in person during your curfew hours and get an alternative person who you trust to look after your equipment overnight on 25th August 2013.

This option allows you to retain the potential for further contracts via your company, ensures that future clients are not aware of your previous criminal history and will also safeguard any future contracts with Enfield Council. Clearly this is a matter that you need to consider very carefully and weigh up the pros and cons of each option.

I am aware how important this festival is to you and your business.

If you decide to make the application to vary bail then I will need the following from you by 15th August 2013:

Letter from Omar Lawrence that you are hired for the festival I will need this information by 15th August as the court and CPS will require 5 days to agree the matter administratively, failing which I will ask for a fixed hearing on 22nd or 23rd August 2013.

I await your instructions with regards to the above matter.

I have confirmed to your mother that I will require your instructions in writing.

Should you have any questions then please do not hesitate to contact me.

Regards Josephine PS I will endeavour to send all other emails from trash box.

Your mother has copies on her system.
