Simon

I am trying to deal with this; letters are going in and complaints. I need Lemmy taken off case then I can get where we need to be but I also got to wait for things like the SAR and until I got them its hard as I need to see what is on Enfield Councils systems, I also need other SRA to come back I have asked for.

We need to see what is down for you we need to see what has been shared there is a lot to deal with and it just cant be done overnight like you think it can.

I am doing 4 major write-ups and this is just for Enfield Council and these need to be done we need to get complaints up-held which in turn show they are in the wrong right now we don't have that.

I have asked for a list to be completed by you in regards to all the dates I sent over in a letter.

I am also doing write-ups for the ASBO one for the IPCC, One for human rights and police misconduct solicitors in the hope we get some help, and one for the courts, which outlays everything that went on in court and what the police done.

Yes one write-up can help with the next, I also writing a next write-up for the IPCC for what the lack of what the police have done regarding Enfield Council.

These are not small write-up they are large but have to be kept on point.

It would help me greatly if you can complete the dates I outlined in the document I sent you. But to me it seems that is too much for you to do. I will send it again with this but I don't think you will do but see attached.

I think once you see everything I am doing you will see I am not just sitting on my backside and doing nothing. We can not bring a case into court without there being order and the paperwork correctly done. As that will just be all over the place and will go nowhere. Yes something's will take ages to complete but that does not mean other parts are not getting dealt with.

I want the ASBO back in court as early as I can get it there but the paperwork needs to be in order and we have to have a clear outline of what went on.

Enfield Council are just digging themselves deeper into this, but you got to let it run its course.

Things can not be done overnight like you think they can be, and if you want this done correctly you will let me get on with it without keep abusing me.
