

2. Whether Mr Cordell understands the terms of the injunction order dated 9 January 2018?

Mr Cordell is currently suffering from symptoms of Schizoaffective Disorder and presents with florid psychotic symptoms. His thinking and behaviour are influenced by his underlying persecutory beliefs. Mr Cordell is convinced that the injunction order is a cover up by the local authority for the errors and mistakes of the ASBO and therefore did not stand up in Court. Mr Cordell is convinced that the injunction order has been falsified by certain individuals (particularly Lemmi possibly in conjunction with others). He therefore does not value the order or the contents contained within it. In my opinion Mr Cordell's capacity to process the information relevant to the order is again impacted by his delusional beliefs.
