

to go up to the neighbours regarding the constant banging, the next day the neighbours saw my son's cousin from their window and I believe at that point they knew my son was not there, so the banging stopped.

Since my son was getting no help from Enfield Council I took it upon myself to make an appointment to see his MP, his MP is in contact with Enfield Council, but the longer my son is left in that flat the worse his health is going to get due to what the neighbours are doing. I believe the MP has now also caught adult social services involved in at this time we are waiting for a letter from Enfield Council regarding moving my son, but I am scared due to Enfield Council knowing my son has been released from hospital they are going to start court proceedings for a possession order, although the MP has told me not to worry about my son being evicted I cannot help but worry, I have tried to get hold of my son's solicitor who acted for him but due to them being more involved in criminal law I do not believe as was stated in court on 9 August 2018 they understand civil in the way it should be, a belief they feel that the case was concluded on 9 August 2018, and therefore have little involvement thereafter.

When I called the court and explained the situation the court bought up the order of 9 August 2018, and stated there is not an order that my son is moved by Enfield Council, I was under the belief that this is what the court did order, therefore I fail to understand why it is not included as part of the court order Enfield Council drafted.

Any help would be greatly appreciated as at this point in time I am not sure what to do or where I stand to help my son, it seems Enfield Council can do what they want to leave my son in the flat which is affecting his health due to what the neighbours are doing, mislead the mental health service in what Enfield Council is saying to them, not once since this order was made has Enfield Council bothered to even want to see my son to see how he is coping, I'm sure there should be some duty of care towards my son yet Enfield Council don't seem to believe they need to follow that.

It just like the way throughout all the court hearings Enfield Council was at, where they misled the court regarding to my son's health, I am asking for help as at this point I don't know where to turn and what to do.
