

The CADs well sorry but the police are trying it on with these they really are and something needs to be done about how they have blacked so much out. But I need to show you for you to understand. And please tell me why a grid ref would need to be blacked out?

But there is a lot of work with the police papers that needs to be gone over which was not done for the trial and Josey this will take time.

That last statement you missed in your email from the office in charge of the case needs to be dealt with also it was too late when we found out about it the day before the trial and that being in Val Tanner from the public order unit at Scotland Yard, but I need to say in

a statement what she said to me on the phone as it doesn't work out with what the police officer said in that statement. And also, the phone call that DS Chapman from the public order unit at Scotland Yard.

The public order unit at Scotland Yard know a lot more Josey and they know it and they are allowing Simon to be blamed for this knowing he never done it that is wrong Josey it really is. was really funny how the office in charge of this case deleted the email he sent to the public order unit why would he have done this why would he have not taken a statement from Val Tanner?

Simon did do a lot of this with me right from the start when this started but Michael kept saying that does not matter, But Josey it does matter I did not understand how a civil case worked until the end at trial I did ask but it was not explained to me or Simon.

Legal aid has not come in yet for Crown Court. Once it does, I will notify you. I am at court at present.

Can you please confirm any additional evidence you intend relying on do that I can make arrangements to get it printed off?

Thanks

Josephine

Hi Josey

Can someone please tell me what is going on, Josey I know you are busy and have a very large case load but time after time I have been told you will deal with things then I get nothing sent to me, but if you have not got the time can you not ask someone in the office to get the case files ready so I can get them I need to know what has been done.

Can you also please forward me the email that you sent to the police office in Essex so I can see what has been asked for him to write in his statement or has this not been done?

And also, the emails to the court and have you had any update to the legal aid.

Josey I do not you are busy but there has got to be some point when something will be done on Simon case. I know the cuts are really bad and it has put many solicitors under a lot of pressure but this is really making me ill with worry, you also know how ill Simon is he is

really not coping and I don't know what to do any more could you please just take 15 mins to give me a full update on this case please.
