Dear Lorraine / Simon

Thank you for your telephone call today.

I am copying Michael Carroll into this email as he is now overseeing and monitoring all the work that I undertake in this case to ensure that I am preparing your case properly and to your satisfaction and complying with your instructions.

I set out below the main content of our conversation but if I have left anything out please come back to me as soon as possible.

INSTRUCTIONS:

Simon you confirmed that your benefits had been suspended and you did not have the funds to attend the police station every day. You stated that Edmonton Police Station is a 2 mile walk from where you currently live. You have asked me to make an application to remove this bail condition.

Secondly, you have asked that your curfew be suspended for an up and coming festival in Enfield.

Thirdly, you have asked me to consider the merits of making an application to dismiss the charges against you based on the fact that you entered a building that was being squatted in and therefore you were not a trespasser.

Fourthly you stated that the photographs sent to you were of poor quality and were in black and white.

Fifth, you complained that the barrister did not present your case properly.

Six, you requested your case papers from the Winchester case.

I will deal with each of the points that you have raised and the agreed action.

Point (1) I can make this application to remove the reporting the condition. I can source a map from the internet to show the distance and I can also show bus prices on an Oyster card £2.80 per day in
