Hi Jose

Simon does not blame you at all he knows you got a lot to do, and knows you do your job he just felt while you was away the office did not have a cue on what to do. He just wanted a reply as to what was going on and that was not happening. And did not in fact know that Michael Company was not involved in his case he was thinking that Michael Company was acting for him so when you went away they could deal with it which they did not. Michael also has talked to Simon about this on the phone more then once so is aware of this Simon did not like the way in which Michael talked to me or him but the last time he talked to Michael that was sorted over the phone.

Josey we don't have a problem with you at all. The problem we had was no one was able to deal with anything while you were away and that should not be the case the office should be able to deal with things if you are not around.

Lorraine
