

And any insurance claims

As the invoices that have been given are hear say due to the fact the guy would need proof that these items where still in fact inside the warehouse

He does not seem to understand when this went to court and the judge said that we can't have this information. So could you please talk with him and update him as to what has gone on at the court, as we did not know until last week that the judge had said this we cant have this information.

But at any case it seems the barrister needs updating about this case as he does not know anything and did not even understand why Simon had gone to see him when he was on a case already which was going to over run till this week at some point, but not before Wednesday. And Simon case is in the WL from 16/12/2013.

From what we have found out when Simon called the insurance company the claim for the insurance that was put in was only for the building and no content.

Simon called them on the 13/12/2013 and talked to someone as Nikki Diamond was not due back in the office until 16/12 2013.

The insurance company did tell |Simon both claims have been put into one as from what the lady could see who looked up the claim REF could see no one from the insurance saw the damage to the building until after 04/05/2013 which should not come down to Simon as Simon did not cause any damage on the build at any time.

Hi Lorraine

I am working through my emails slowly and by priority at the moment. I will endeavour to deal with this by Wednesday at the latest. I have been on duty all weekend and today I was in the police station from 9.30am until after midnight. I am aware of the documents being duplicated also. I will deal with each point you raise in due course.
