

The stress this is having not only on Simon but me and the people around him trying to help him.

The judge has got to hear what is going on here to this family due to all this and the lies by the police and the cover ups in this case.

How can they call this burglary they are still hiding the information as to the inspector that was there before the party started that let the party go on, and went into the building before Simon had even gone in there and saw the damage to the building. How can they hide that he comes along with TSG more than once? And also on one time came with the council due to noise how they can lose all this data. As this would prove Simon did not break into the building and in fact show that there was people living there.

They also took a guy Simon knows called Martin Carl in the back of there van due to him hitting a girl which a 999 call was made. The police stayed there for around 1 hour this time as they was trying to get the guys shoes to be able to take him away. Simon is not sure if they took him to the station but if the police took him away there should be a record of this.

The CPS is saying there have given all the discloser yet where are the pictures from the Feb 2013 case where are all the statements for this case.

Are they hiding information as we are not asking for the information to the right address? As if you look in the information we got yesterday from the CPS the address is Bianca Road which as we have said before that's the road we said the party was on. The case for Simon the police are saying Haymerle Road. Which as we showed you when you on Google maps both streets are right around the building as it is covered by 2 street names.

Josey Simon cannot take no more his bail needs to be address ASAP I am scared I going to get the police here saying he has taken his life something does need to be done.
