Hi Lorraine

I have been out on an attempted murder last night and most of today and this evening I have been highlighting raw call data for the barrister to minimise my client's knowledge in a conspiracy to supply firearms case presently going to trial. I will call you tomorrow in the afternoon to discuss.

Regards

Hi Josey

Please see the email I got for Southwark council.

It seems they even they had problems due to the address but after I give them the updated email for my request for Bianca Road, SE15.6SJ they found the information it also seems they new about the party for 04/05/2013 / 05/05/2014 before it had even happened as they got information on the 01/05/2013 that a party was going to take place on the 04/05/2013 so they went to the building on the 01/05/2013 and spoke to the squatters on this date which proves it was already being squatted before Simon went to the building on the 04/05/2013.

Simon always through the council told him that the Noise Abatement Notice was put on the building in the Feb 2013 but as you can see it was put in place on the 03/05/2013.

But I wonder who give the council the information on the 01/05/2013 about the party for the 04/05/2013 / 05/05/2014, it must have been someone that the council would have believed could it have been the police?

It also does show the police was there but that the council did not take there IDs which does not help but it does show the police was there.

Also is there any update from Jemi about the 18/03/2014 for court as to what was said, and the bail application?
