

reopened, I have to write them a letter and they will send the data I have asked for in the post.

I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now.

We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong.

I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering.

It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again.

As you can see, I am not very happy about all of this but I do not think anyone would be when they paid for there insurance and had done nothing wrong to suffer all this.

Therefore could you please get the information I need to send to the CPS, I have written what was needed from Nov 2014 and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in.
