

confirms that you had a valid policy in force between said dates and on what vehicles, this should satisfy the Courts but if they need anything else we will be happy to assist, just let me know what you require.

I understand you were stopped several times and had vehicles seized, you are in the process of obtaining evidence of these vehicle seizures and the costs incurred by you as a result for us to consider compensation. When you have gathered this please forward the evidence to us as soon as possible.

There is also the matter of your Data Subject Access Request. I have spent some time today tracking down recorded calls and various communications and have notified our Data Protection Officer of your request. I can see that you have made a request, any request should correctly be sent on for the attention of the Data Protection Officer along with a £10 fee. Your request was addressed generally to KGM with no fee and it would appear not actioned. The underwriter dealing with your request should have asked immediately for the fee payment and escalated your request accordingly. This was not done for which I must apologise, as a result we will waive the fee requirement and I would confirm this is now in hand.

We have yet to issue a final response to your complaint and I would assure you we will do this as soon as we have received your response to the above points.

Regards

Dear Andrew

Please see attached Insurance, which will show you full details of his insurance policy and dates covered.

Yes, we do want full disclosure so this matter can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/2013 where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this
