Can you transfer all from server onto a USB as this may be the easiest way of accessing the data. I suggested my office so that everything can be printed off and put in bundles and scanned and sent in the DX. Re the discs you can burn off and exhibit but I will deal with this in your section 9 statement.

I will have to request the data from the court re the trial notes so all I will need is the date of conviction and the appeal date and I will send that email off in the next ten minutes. I need these for two reasons (a) accurate transcript of what was said for the appeal hearing in Kingston Upon Thames (b) for when the formal complaint to the IPCC is made.

I am snowed under at the moment to please keep Monday appointment if you can and likewise I hope that I do not have to re-arrange.

Can you confirm with Simon whether he wants to apply to set aside the conviction which is the correct way to go about it. Time runs from date of conviction so 21 days so lodge appeal against conviction as I believe only a Crown Court Judge can sort out the licence being revoked.

You also mentioned that there was another court in East London or South East London can you bring whatever you need doing on that also.

Regards

Josephine

Hi Josey

1. APPEAL AGAINST CONVICTION - NO INSURANCE

I think the 17th will be fine just give me a time.

Not sure what you mean below about the CD should i burn a copy off and bring them with me to the office or do they need to be burned off at the office.

I can access emails that are being sent to me from the office if I make sure I close outlook on my computer, but would have no access to the emails that are already in outlook as these have been directly downloaded to outlook from the virgin media server and I have that setup to del once they have been downloaded.

Is it you who needs to ask for the Legal Adviser's notes re what was recorded as part of PC Geoghan's evidence and his officer's pocket book or me?
