

I also know there is more dates when the courts added points ect to my driving licence and then they were removed due to me proving I was insured. I do have a claim ongoing and need to show how much this has affected my life. These have not been included in your letter, could you please look at my driving record from 2013 to date of all cases that the court added points ect and then they were removed as I need to prove the impact this has had on my life I also know there were I believe 1 or 2 more times my Licence was revoked and then put back in place due to the court updating DVLA and I do know there is more dates you have not included in your letter.

Could you please get back to me by email ASAP to tell me if I am now allowed to drive or if my licence is still revoked due to the errors of the courts and Insurance Company and if any points are still on there?

Could you also please confirm everything also in writing so I do have a letter confirming everything as things are still being addressed also with the courts and there is still one appeal date?

Regards

Simon Cordell
