

to do so due to the nature and location of the event and provided information to the daytime officer who ensured the owners undertook the necessary works.

The complaints received on Sunday June 8th were all received after the council's Out of Hours Service had finished at 03:00 and therefore no response was possible.

The Out of Hours Team respond to all complaints received but will only visit a premise where it is safe for them to do so and in the case of illegal raves/parties quite often there are officer safety issues which prevent visits at night time during the event, unless police support can be gained. Following illegal raves/parties we do make every effort to get a building secured as soon as possible to prevent the same thing happening again.

Yours sincerely

Dear Ned Johnson

Thank you for the reply to the freedom of information act I put in.

I do however believe there is a lot of data that has been left out, so maybe I need to clarify the data that is being requested.

The information is regarding Disused or abandoned buildings or any industrial estates buildings or open air land. For the dates all of 2013 to date.

This would include all data if there were occupiers/squatters in said building/parties/raves. This would include the dates these buildings/Disused or abandoned buildings/ or any industrial estates was first known to the Environment & Street Scene Department.

- All information would cover all wards boundaries for Enfield Council. Information is also needed for some areas within the Enfield Council borough.
