

really readable. The main problem with Debbie seemed to start when she came to my son's front door and saw a girl in his flat she saw the girl on more than once and I think this upset her. Since this time things have got worse and worse and my son's health is really suffering.

Please can something be done as we really do not know what to do any longer, if you can not do anything about the neighbours in the block can you please see if you can move my son as he can not take any more, he needs to be able to rest and sleep which at this time it is impossible, this is unfair what is going on to my son's health.

Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue which I do not understand why.

Regards
