Dear John Forster

I am writing this email after my mother came to see you at the court some weeks ago.

She spoke to you about the errors on the Memorandum of entry for case number 011402490741 and you said you would put it before the legal advisor, i have not heard anything from the court could you give me an update what is going on please.

Also she spoke to you about the errors on my PNC records to which she had in 2014 asked for Enfield court to check the records and there was some that was on my PNC that was not in the court registry. As she said to you she has been trying to get this address so they can be removed but was having some issues, my PNC is also being used against me for the case listed above which I have an appeal on the 09/11/2015, she told you she needed a letter headed letter to prove that the registries had been checked by the court, by Benedicta Odjidja,
