

Dear Josey

Today the case was put back until Feb 2016 which you knew it was going to be as nothing had been done once again. I am the one trying to keep Simon stable with his health but when his acting Solicitors don't do the things, they should this gets very hard.

Simon is the one that is suffering due to this but it is having a large impact on me and the family, due to cases keep being put back because things are not done on time.

This ASBO case has now been going on for over a year the last case was also over a year. These cases both of them were put back more than once because things were just not done.

Simon wants an application put in to address these ASBO conditions which I hope can be addressed in a timely manner, All the conditions are for illegal raves which was not proven at the trial it was only proven that Simon had acted in an anti-social manner. How I really don't know as the cases application was, he was the organiser of these illegal raves. Not one person or police officer said that Simon had acted in an anti-social manner towards them so how this ASBO was granted is beyond me and everyone else, and now he has to wait until Feb 2016 for his appeal why because things were never got ready.

I have been asking for all of Simon's case bundle since around the start of 2015 and about his medical notes since March 2015 I still have not had these or a reply as to what is in his case bundle as Simon did not even have this himself for his trial. Josey, we don't know what has been done on this case that was asked for that is really bad for a person to be up in court for a case he has asked for things to be done and don't even know if they have been done and we keep asking and get no reply.

We have been asking about letters that were meant to have been written still don't know about any that were written. I mean even down to what Michael was meant to have written to ask for the information re Val Tanner and the public order unit we still don't know what was asked for if anything.

Today we were asked things and we could not even tell the barrister what he was asking as we don't know.

Could you please update us to everything and as soon as you get the barrister notes for today can they be sent over as I know a lot of dates were given for things to be done but we were not given the list of dates.
