Dear Jackie Gubby

Would it please be possible for you to give me a call on 0208 245 7454

Yesterday I got a call from the repair team in regards to a leak my son had in his flat from the flat above. They had to have a repair team out and shut my son lighting of in his bathroom due to the water leaking into the electrics and blowing out all my son's electrics.

Today I got a call from the council saying they believe the leak is coming from the flat above 113 which would be 117 which is privacy owned and someone would be coming to see my son today from 117.

The people from 117 have been to see my son today and have had someone check there flat and they are 100% the leak is not coming from there flat. And that they believe it is coming from 113 which is Debbie's flat the person my son has been having trouble with for over a year now and the council have done nothing about this.

The people from 117 have tried to speak to 113 but she won't open the door to them to see where the problem is coming from.

Just a little while ago my son saw Debbie care worker and he spoke to them and told them again what has been going on and he can not take it any longer, the care worker told my son that Debbie will not even let them into the flat any more.

Something has to be done as this has caused my son heath to go down hill badly and this can not go on any more. I am getting no replies to any complaints that have gone in and the ASB team are doing nothing.

I have booked a date to see my sons local MP also now as this is having a huge effect on my son's heath, and due to the council doing nothing I don't know where else to turn any longer.

I have just called the repair team and spoke to a lady Linda, who has tried to call 113 Debbie and could not take to her so she is sending a letter out to 113 Debbie,

Regards

Lorraine Cordell

Dear Ms Cordell

I am not aware of any outstanding repairs to your sons property. The surveyors who attended the inspection reported back that the heating was fully operational and the detectors are also working.

Mr Cordell can report any new repairs to telephone 0800 40 80 160 - option 1

Yours sincerely
