

Where has Enfield duty of care been since 2014 as there has been none, Enfield Council just done what they wanted went one sided and never wanted to hear anything we had to say. Is this the way duty of care is meant to be to a valuable person?

As for my son believing that Enfield Council is against him and the police are also this is not a lie.

show me anything Enfield Council has done to help my son I don't think Enfield Council would be able to show anything as all they have done is believed what they wanted without once looking at anything my son has to say or the evidence my son has got Enfield Council has been told time and time again we have got evidence yet what have they done nothing. Enfield Council even called me a liar regarding what I said I have sent them. Called me a liar about my son's health. Seems we are liars to Enfield Council and that is what Enfield Council wants to think.

Show me out of the around 280 calls made to the police by my son regarding the neighbours and what they were doing begging for help how many times did the police come out to my son to even try and help let me see 3 or 4, yet wow when the neighbours call the police are out in force, if it was not for the CCTV in my son's flat and being able to show the police my son had not left his flat my son would be in prison now, and when we ask the police to do anything regarding the proved calls from the neighbours where false they done nothing.

My son was meant to have had a neighbourhood police officer setup for him more then once yet nothing come of that, even the call I had with Borough Commander Chief Superintendent Helen Millichap and she said she would sort it and get one it has never happened she was even meant to have got back to me but never has, that was in July 2018 but I have heard nothing since.

Enfield Council sending so much information over to the Mental health team, why please tell me why as it was all to keep my son in hospital so they did not need to do anything to help.

Enfield Council has the power to ask Adult social service to get involved yet they failed to even do that. Why has my son not got a social worker yet my son is meant to be this bad person.

Where has all the help been because as far as I see every government body has just turned there backs on us, it did not matter how much we asked for help nothing was done yet there was this valuable person living in hell yet nothing was done.

I have tried so hard and begged for help yet I am still sitting here without any help writing to everyone to try and get some help.

As the judge said to Enfield Council on the 09/08/2018 take responsibility, more then once, but even that is too hard for Enfield Council to do.

I would also like Lemmy Nwabuisi taken off dealing with anything related to my son and have nothing do with my son again, as he has failed in his job to investigate anything my son or I had to say regarding anything.

When is my son going to be moved from the hell he is living in can Enfield Council reply to that? And in the meantime I will be working with the court to get the information and maybe some help of advice on what to do next.

Please do not show this email to Enfield Council or anyone that will pass it over to Enfield Council.
