To Whom It May Concern:

Please see attached document regarding a subject access request i would like address while Broadsure Direct was dealing with my insurance.

If this email with attachment has been sent to the wrong department that deals with data protection subject access requests could this please be passed to the correct department that deals with it?

If there is a fee payable or you need ID can someone let me know as soon as possible via this email address.

Could you also let me know via this email address this email has been received along with the attachment?

Regards
