Dear Lemmy Nwabuisi

I was wondering if you will still be sending the information i have asked for re the dates and times and body of complaint today as you said you would?

I do need this as i have had the subject access request today i am going over this in detail but the dates and times of each complaint is not clearly marked and it seems there is some really incorrect information that does need addressing.

i am also having some problems so it may take me a while to go over some of this and get back to you as i am using my mobile, as today i was meant to have been having my ceiling replaced and when they started to take my old ceiling down, it seems it could be asbestos so they have had to shut off the whole of my down stairs off. so i wont have access to my main computer with all my files on, until they come and confirm or not, they are due around today just not sure what time. and if it is confirmed not sure what i will be able to do as it is the weekend now and i will not access to downstairs which could be a problem as that's where my bathroom and kitchen is.

But i really want to get this all listed and need the information from you to be able to do this. a friend said they can loan me a laptop if it is confirmed as asbestos or maybe there will be a way to get my computer out as not sure if i will be able to stay here.

If you can get back to me as soon as possible with the information i would be most grateful.

Regards

Lorraine Cordell
