Dear Steven Hall

I was wondering if there was any update this has now been ongoing since the 24 May 2018 when i made the call and asked for a meeting to be setup. I can not understand why it is taking this long to get a meeting setup.

In my last email i asked for this to be addressed by today the 18/06/2018 which it has not as i not heard back to saying if a meeting will be setup or not.

Could you pls get back to me as soon as possible to address this.

Regards

Lorraine

Ms Cordell

My sincere apologise for not getting back to you sooner. I have been out the office for a couple of days. Your concerns remain high on my list of things to do but I am yet to have had a conversation with Ma'am Millichap about the issues we discussed.

I fully understand your desire to have your concerns progressed in a timely manner and will provide you an update in due course.

Regards

Steve

Dear Steven Hall

It has been some time since we spoke and we exchanged emails, I have not heard from you since I wrote you the email below and would like to know if Miss Millichap is willing to have a meeting with me or not, I do not think it is too much to ask for a meeting, but it does seem that the police are not willing to act on this unless I give them full facts so it can be investigated before we have the meeting, as said before I do not feel this will work as there is a lot of concerns regarding more than one issue there is also a lot of paperwork I would like Miss Millichap to see.

If Miss Millichap is not willing to see me for a meeting please let me know by 18/06/2018 as I will take it higher, I do not feel I should need to explain to others which has been done many times before with nothing coming of it and its just like no one was spoken to.
