Due to me needing this information due to a court case the ICO will be able to process my dispute much earlier then they would do due to this reason.

I read the email you sent me and the ICO believe it is very un-professional for an email to be sent like this when the guidelines for SAR are very clear.

To Whom It May Concern:

I am writing this email to see if there is any update as to the time my subject access request will be completed, the 40 days time limit is up, I know I asked for an update before and we sent the below email it does not tell me how long it will take,

Subject: Subject Access Request Simon Cordell 2018020000641

Good morning,

OUR REFERENCE: 2018020000641 REQUEST DEADLINE: 25.03.2018

I am writing in response to your email enquiring about the progress of your Subject Access Request. Unfortunately, we are not in a position to provide you with a timescale for completion; this is due to the high volume of requests currently being received by the MPS, therefore your case is taking longer to process.

Your request was reviewed when first received and is now waiting to be allocated to a caseworker for processing.
