Dear All,

Mr Cordell called me and was very aggressive and made threats over the telephone. He's saying that we are trying to take his flat away. He also said that Lemmy and I have forged documents, that he's going to get me struck off and will put me in jail. I had to end the conversation. He has tried calling me 6 times after that.

I am putting you on notice that I have contacted the police and reported his phone calls as harassment.

Finally I would refer to the letter before claim/warning letter which was sent to you on Monday 15<sup>th</sup> October 2018. Mr Cordell has clearly breached the warning. We are now instructed to commence possession proceedings.

Kind regards,
