Dear Ludmilla and Lemmy

As you will be aware Simon is in hospital, today i was at the hospital with his cousin for a meeting, I got a call regarding the person who lives at 113 a person that knows us and also Ambroise from 113 stated that Simon had beat him up, then that changed to a person who had been staying at Simon flat beat him up. And that now due to this people was going to come and beat us up. Then it changed again to the person who beat Ambrose from 113 up come from my sons flat.

Until today I have not wanted to say anything but I think this is going to far now.
I could say a lot more but I feel it is pointless as you have done nothing with anything I have said.

Since Ambroise has moved in the main door lock has been ripped out and there is drug taking in the block on the level of 113 and people coming in and out of 113 at all times which I do have a few pictures off people taking drugs.

After our meeting I went to Simon flat to check on it and put gas and electric on as the Electric had run out, as no one is staying there.

This is not the 1st time we have been threatened by 113
and his friends for something we have not done or my son has not done.

I have been told that Ambrose is taking drugs but do not know how true this is as it is from a 3 person.

When I got home and spoke to the person who called me it seems Ambroise was badly hurt and I believe stabbed.

This has nothing to do with my son or my family and I believe now Ambroise is aware this had nothing to do with us or my son, but I am sick of everything being blamed on my son, and the phone calls we get when something goes on in the block.

I believe there is a lot Enfield Council is not aware off, and are turning a blind eye just so the blame can be put to my son.

I have now seen the reports you have put into the MH services so have this in black and white now so it can not be said it is not come from you.

I will be talking to the MH tomorrow regarding a letter relating to a 2 bedroom property and would like my son moved as soon as possible.

I do not think it is right you are trying to get my son to remind in hospital by what is being passed to the MH services via Enfield Council this needs to stop the worse part is that it is incorrect information, which can be proven.

There is more I can say but I feel there is very little point as really all Enfield Council has wanted to do is blame my son for everything. Without not one meeting without looking at one bit of Evidence we have and we do have real evidence which the police have seen why do you think my son was not arrested was it due to you thinking they just could not be bothered no it was if they arrested him it
