Dear Alev

I called and got a call back from Simon case team the other day. From what I am being told they say they sent him an appointment for the 04/12/2018 for a review, which I know nothing about, it was also for Simon to go to there clinic, which I said well you know Simon does not leave the flat so why would you not have booked to go and see him at home. He stated that it would be better for Simon to go to them, i said but how is he going to do that when he does not leave the flat, and you are well aware of that, are you not meant to be working in the best interest of the client, and you are well aware Simon does not cope when he goes out so you are making it worse for him why don't you go and see Simon at home. He tried all he could to get out of it, but then said he would talk to the team regarding if they can go see Simon at home and would let me know the outcome after the meeting regarding it.
