

I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database.

You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Masrtin Jenkins from Broadsure Direct should also have copies of all emails as I do.

I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I new nothing about and then I had to get he cases reopened, I have to write them a letter and they will send the data I have asked for in the post.

I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now.

We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong.

I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering.

It was one of the police in the end at the compound who in the end worked
