Ref: Pc Hoodlese states; "Caught on camera opening the venue upon opening the premises."

Mr Simon Cordell will states; that he will not be on camera acting in an anti social manner neither will he be causing any criminal offences, that he was invited into the premises by the occupiers that were living there."

At no point did I act in an anti social manner on this date to the police or any member of the public.

Around 02:00 hours on the 08/06/2014 Mr Simon Cordell states he was just arriving at Progress Way and was said to have been seen by police he was not inside.

On page 32 A/Insp Hamill 01566 states; "at 02:00hrs on Sunday 8th June that he did in fact see Mr Simon Cordell for the first time, on the 3rd line from the last sentence."

CAD 1047 Name PC239YE Shinnick (pages 174 to 178) at 1:59 on 7th June 2014, was a 999 call location, which was a police office calling the Enfield Patrol Site, Call name is of a PC Shinnick, "please allow a officer to call on duty."

A/ PS Charles Miles 724ye (page 31} explains that this date was on the 7thth June 2014 in his statement but is mistaken, this can be confirmed by any person who can do so by looking at CAD 1047, to which A/Inspector Hamill 201566 states he had created cad 1047 at the first point of police intelligence leading to the police offices first point of contact in regards to progress way, as he dispatched officers to the location of the incident, from this information provided we can tell that this was in fact the 8th June 2014 at 1:59.

A/Insp Hamill then states; "that the officers that he had sent, had reported back that Mr Simon Cordell and Tyrone Benjamin were present, and goes on to state that officers were not aloud access into the building, due to the demand during the shift and low policing numbers, but CAD incident number 1047 07th June 2014 pages 174 to 184, states them officers in attendance who could not gain entry, some how managed to see Mr Simon Cordell and his brother Tyrone Benjamin earlier in the day, to which Mr Simon Cordell will state would be incorrect, as he had arrived to gave a friend his friend keys that had been left at his home some time before this date and that was not on the 07th June 2014 it was on the 08th June 2014, and this was his first time at the location and that Tyrone Benjamin was never there due to an accident he had had which had a life changing effect on Tyrone Benjamin and at this time he was in a wheelchair unable to walk or put any weight on any of his legs along with other injuries and needed carers with him 24 hours a day to help him with all his needs.

Up to here

As A/Insp Hamill 01566 states; "at 02:00hrs on Sunday the 8th June 2014, Mr Simon Cordell did in fact arrive."

A/Insp Hamill 01566 Could not be sure of the fact of the person that he is stating was at the gate did in fact bring Mr Simon Cordell back to the gate, he does not state that she or he came back with Mr Cordell, who would have told A/ Insp Hamill that Mr Simon Cordell was in fact the person she had gone to collect and asked to assist in speaking to police as the event organiser, neither did he take any name(s) or personal details of the gate assistances. He also states that Mr Simon Cordell would not in fact speak to him, so if this was true then why would Mr Simon Cordell have approached him to speak to him as the event organiser and not speak, as for fact he was just arriving.

No police officers did in fact see Mr Simon Cordell, on the 6th 7th Jun 2014

Mr Simon Cordell will state that he did not talk to any police or council as he felt intimidated.

Mr Cordell will state that he was not given any noise abating order from the local council as confirmed on page 34 by A/Insp Hamill 01566 as he was not in fact the organiser.
