

I am not different from any other person that has been made to pay so many judges, police officers and solicitors wages growing up in London just because of wanting to make some think of them self's.

I did try and do well but no matter what I do I get treated different in this country as if I am the bad guy all the time.

I look around and see the rich getting richer, I believe being white should not be the main element to who you can be and what you are allowed to achieve in life, as it seems to have been for me.

All the good things I have done and tried to do compared to a lot of the people I know that should have been noticed and taken into account, we live in 2016 a modern society and should all be equal to one and other, but in many instances this does not happen, the fact is that the police did lead me and tucker into believing that we may be able to help others and repeat history by becoming like a Glastonbury but in London, on stead I feel like they gave him the chance while ripping it from me, in turn helping the wrong person at the time of the generations of a large circle of people coming together united.

I have been locked away under one or another condition(s) for years now with no justice so yes my life has been a lot of stress for you, my self and every one and as for being disrespect full yes at times in life I have been and I am sorry for that but you must take admit if it was not for you doing jocie's job and blocking me because you trusted in your instincts and her word against what I am saying is best for me and I turn out to be right, Any one would be up set.
