

**Simon;** and I have been locked in my house for two and a half year's proof, trying to prove to the police that I am not a white person yes, that I am of mixed race and that I could not have committed the offence that they are setting me up for, yes and I am at a stage I can't take it, they keep avoiding disciplinary action by prolonging the case in knowing that I can not put a complaint in against them and that no one will deal with anything

**Simon;** I have put article six's in yes and now Jane Johnson who is supposed to be intended has been transferred to, some body needs to do some think about this case, I have been phoning you lot up for so long just asking to get one decent police officer to oversee Steve Elsmore work and see the applicants case that he has put against me and no one will do it, it is not fair I should not be held hostage in my house

**Simon;** this is making me suicidal

**Police Officer;** you are being held hostage in your house

**Simon;** yes I am being held hostage under section 63, which is to do with outdoors, under the crime and disorder act 1994, which is to do with out door events and all the incidents that I am in question for are for indoors and I was not even involved in them, for the organisation of illegal raves, I was not even found guilty at the court and my name has been tarnished in the news papers, they have now pulled it out of the Metropolitan police website, it is not fair these police officers sat around a table and made false information reports, they do not have 101 police note books for none of the incidents that I am in trouble for, they have not signed none of there 101 book's I am freaking out

**Simon;** and I am recording ever conversation that we all have, I have recorded about 20 I have so many, and I have got loads and loads of tapes, yes and I have got all of the court transcripts proving that I am right and that I was not found guilty, I got the court submissions proving that I was not found guilty right

**Simon;** some one needs to do some think I have got video tapes of cops coming into my house which shows that they are endangering my life and that all my neighbours are banging at me because of the information that the metropolitan police put into their website, this is not fair some body needs to take this police officers Stevens Elmore's work of him and over see it and stop hold me hostage in my house it's incorrect madam I no that you might this might not be your problem but you represent the Metropolitan police force even as a civilian a civil person you are still representing them and this is why I am having this conversation with yourself
