

**Police Officer;** so it, it Burncroft Avenue that you live in then  
**Simon;** yes madam that is correct it is Burncroft Avenue that I live  
**Police Officer;** and who do you live there with  
**Simon;** on my own  
**Simon;** I am sitting here  
**Police Officer;** and what is your name  
**Simon;** my name, my name is Mr Simon Cordell some body cant leave these police officers running around dealing with other peoples lives and I am here clearly proving that they are corrupt, they sit down together and made the information reports and back dated the created dates so that the whole lot of them went back other one year, I can check and every Urn number goes up numerically in order for one day when they were all logged into the police computers when they done it, then they created the cad numbers and I can prove all the cads were made and then they made the witness statements and the witness statement are not even real to there address, I could go to all the address alongside wood grove avenue right now and knock on all the doors and no one would tell me that they put any witness statements in to the police  
**Police Officer;** err  
**Simon;** I should not be in my house I shouldn't feel like this when all it would take, I have heard that Jane Johnson was the supper intendent and she is supposed to see all of the police officers in Edmonton police station and now I believe that she was as corrupt as the police officers that she instructed to make the application and that is why her signature is at the bottom of all the pages and that is why she has not done any think over one hundred and forty days that I have been screaming that I am right and now she has been transferred  
**Simon;** I believe that now there is a Colin Anderson and I want him to over see the case because he is new and independent and he does not have anything to do with the application and all he has to do is look at the officer's work and he could clearly see that I am correct and that these officers should face disciplinary action and I should not have to wait another one hundred and twenty days and if I go to court in another one hundred and twenty days what happens when another one of them coppers says oh I got the toilet problem or he is ill again and he can not attended court what is that another six months of my life again till I can get another court date they have been putting this of for long enough long enough avoiding disciplinary action and I am suicidal because of what they are doing to me and it is my right under article three of my human rights no police officer or state official should degrade me or make me
