

It seems Anthony Harvey was very unhappy in regards to how Scotland Yard was treating him they would not leave him alone, but he was still advertising the events he was putting on. One was for the 19th July 2014 called The Raving Family That Rave In The Woods, Anthony Harvey even had special T-shirts made up with the wording The Raving Family on them, Anthony Harvey even put a request for anyone that had strong bolties he could use.

It would seem that Anthony Harvey first location for the 19th July 2014 was in Barking, Anthony Harvey then relocated to Enfield carpet right, he states that he begged the police to allow this to carry on but they would not, and states fuck to Scotland Yard, a person that knows Anthony Harvey states they was all waiting at Southbury Road.

As stated before Anthony Harvey was on bail I believe one of those bail conditions was not to attend an illegal rave, as he states he is allowed to attend legal events only.

I believe that when Steve Elsmore spoke to A/DS Tanner, A/DS Tanner explained a lot more about Anthony Harvey then Steve Elsmore states in his updated statement. Even about the event at Barking which was due to me relocated.

“A/DS Tanner states that she had inputted a crimint regarding a rave that was due to take place on 19th July 2014 in Barking. This rave was due to be at one location but was due to be moved to another location which had not disclosed.”

Why did Steve Elsmore state in the lower court he had deleted emails to and from A/DS Tanner, why did Steve Elsmore not ask A/DS Tanner to do a statement, why did he feel it necessary to write what he says A/DS Tanner said to him. I know the public order investigation unit was told by Sir Bernard Hogan Howe to monitor all raves keep intelligence on them and try to put stop to them A/DS Tanner told me this on the phone when I spoke to her. And when I spoke to DS Chapman from the public order investigation unit he confirmed they was looking into all raves, he also did a check on the claimant's name and stated within all the information they had they only had the claimant's name on their systems once, and that was to prevent a breach of the peace on the 19th July 2014.

The claimant did not organise or supply equipment; the claimant did not cause any anti social behaviour on this date.

24/07/2014 Admitted to police he setups raves:

On this date the claimant was driving down the Road after just leaving my home, he was on his way home via Alma Road, as he passed King Edwards Road he saw the police in an unmarked police car the claimant knew it was the police as the police had stopped him before while on active duty, they were at this time indicating to do a right-hand turn out of King Edward Road onto Alma Road. But when they saw the claimant passed King Edward Road they changed direction and turned left onto Alma Road to follow him after a short time the police put their blue lights on, and pulled him over to the side of the road opposite the BMW repair centre along Alma Road, the male officer who was in the passenger side of the police car got out and started to approach the claimant's car, the claimant opened his window a little and asked why
