

anyone the full paper work which should have been done and not just left it on the door step for anyone to see and read and take data out of it if they so wished, this is a breach of the data protection act.

I have taken pictures of the folder and I am disgusted that the police could just leave a folder with such data on a door step.

Mr Simon Cordell will not accept the file or paper work that was put in his letter box and there for have not be rightly served.

I would like this issues looked into and to be informed if there is any paper work missing from the folder which have full details and information to Mr Simon Cordell and other people.

Regards

Miss L Cordell
